**Northwest State Community College**  
**2018–2019 ANNUAL REPORT**

# PRESIDENT'S MESSAGE

From our humble beginnings 50 years ago, to an alumni base of over 11,000 today, one word continues to echo throughout our campus: GRATITUDE. We are grateful for the vision of our founders, the dedication of our faculty and staff, the direction of our governing bodies, the collaborative spirit of our area employer partners, and especially the effort of our students.

Over the past 50 years, the physical campus and the programs we offer have changed, but we have consistently remained focused on providing the best-possible education and training for our students, to help them achieve a higher quality of life. With our spring 2020 Commencement, we bring our "Celebrating 50 Years" campaign to a close, and begin the next exciting chapter at Northwest State Community College.

To everyone who has been a part of the NSCC story over the past 50 years, and to everyone whose lives will one day be positively impacted by our College, we say THANK YOU.

Dr. Michael Thomson,  
NSCC President

# CHAIRPERSON'S MESSAGE

We are blessed to work with, and to serve such a generous community. As the Chairperson for the NSCC Foundation, I work with a board representing our six-county service area that is dedicated to sustained excellence. This requires long-term vision, patience, and most importantly a belief in the importance of a college education.

While Northwest State celebrates 50 years of service, the NSCC Foundation also proudly celebrates over 40 years of service to the community. Established in 1978, our investment funds currently exceed \$6 million, allowing the Foundation to provide nearly \$4 million in gifts to the College over the last 10 years. This allows hundreds of students each year to realize their dreams and potential, while lessening (or eliminating) the expense of attending college.

To our generous donors, our board members, our volunteers, and of course our students, we extend our heartfelt thanks.

Peter Beck  
NSCC Foundation Chairperson

# 50 YEARS

# OUR PROMISE TO YOU

**John Wilson** has proudly served NSCC in various capacities since the college's inception.

**Terry King** Terry King, an employee for over 40 years, has seen how the college has grown.

**Dr. Larry Zachrich** has served the college for over 40 years as a dean, faculty member and numerous other critical positions.

**Lynn and Nancy Elston.** Lynn took the first-ever offered class at Four County Technical Institute in 1969, then left to serve our country in the Army. Upon returning to Northwest Ohio, he completed his studies here in 1988. Lynn met Nancy while they were both students here, and Nancy graduated from the Buckeye School of Nursing in 1988.

Over the past 50 years, Northwest State Community College has undergone many changes. From its physical location, to building expansion, education and training programs, tuition rates and even clothing styles, change has been inevitable. One thing that has never changed is our commitment to providing the best-possible learning environment for our students.

We have enjoyed inspired leadership and guidance from the beginning, thanks to individuals like John Wilson. We have proudly served thousands of motivated students like Lynn and Nancy Elston, who met while studying at Four County Technical Institute, and who both graduated from the College.

Our faculty and staff have made a positive, long-lasting impact in the classroom, at the College and in the community, thanks in part to Dr. Larry Zachrich and Terry King, who have both served the College for over 40 years in various capacities.

We can never say THANK YOU enough for the contributions of our faculty, staff, board members, and community partners. Our promise to you remains the same: To serve by providing access to excellent and affordable education, training and services that will improve the lives of individuals and strengthen communities.

# HOW WE'VE CHANGED: THEN AND NOW

1971	NSCC	Now
66	GRADUATING CLASS	286
10	DEGREES & CERTIFICATE PROGRAMS	60+
\$19.50	COST OF TUITION (Credit hour cost)	\$172.33
32,000	CAMPUS SIZE (Square footage)	260,472

**NSCC Alumni = 11,062**

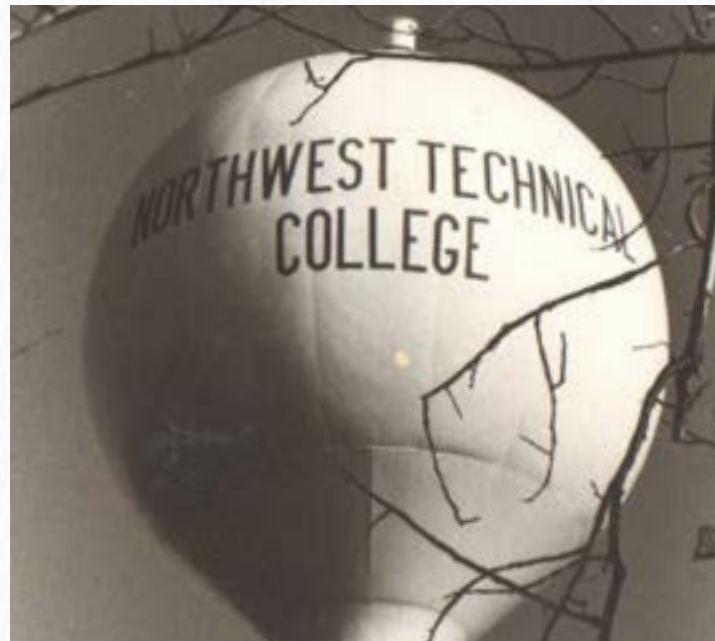

## 76.9% of graduates live and work in our six-county area

Northwest State is celebrating 50 years of being your community college. You or someone you know has either graduated from here, taken classes from here, or participated with our workforce division, Custom Training Solutions. We started out as Four County Technical School and offered our first classes in 1969. We then changed our name in 1972 to Northwest State Technical College, and in 1994 we became a community college.

Community colleges serve many purposes. For some, it is a first step or a path to a four-year degree. Others may view community colleges as a way to earn important professional credentials or an associate's degree. Seniors citizens often look to community colleges for academic enrichment programs well after they've completed their work lives. Northwest State proudly provides affordable, high-quality educational programs and services for people who otherwise would not have enrolled in a college or university.

We at Northwest State make an impact every day when 76% of our alumni continue to live and work in the six-county area. For the last five decades, many people have assisted us in our journey of becoming YOUR community college: students, businesses, alumni, faculty, and administration together have all been great partners in making us who we are today. Together, we are all NSCC PROUD!

# DISTINGUISHED ALUMNI 2019

## Brad Hurtig

"I want to say thank you to Northwest State. You've given me a competitive edge over others by fulfilling your mission of 'providing access to excellent and affordable education.' I'm proud to be a part of the heritage here."

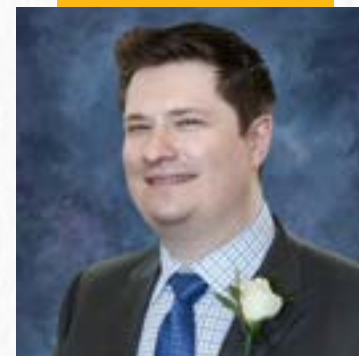

2006 graduate, Associate of Technical Studies Degree in Machining Manufacturing, Cum Laude  
Motivational Speaker and Author

## William (Bill) Lammers

"Thank you Northwest State for carrying out your vision to see many lives positively impacted in significant ways. My life has definitely been positively affected because of my higher education experience that started right here."

1977 graduate, Associate of Applied Science Degree in Electrical Engineering Technology  
Chief Executive Officer, Defiance Dream Center

## Michael Sawvel, DO

"I started at Northwest State my junior year of high school with the post-secondary (CCP) option and completed my associate degree the year following graduation. I enjoyed the small class sizes and being able to easily access my professors. Thank you for the excellent education you provided me and continue to provide students."

2001 graduate, Associate of Applied Science, Magna Cum Laude  
Pediatric Neurosurgeon, Children's Healthcare of Atlanta

# MAKING A DIFFERENCE / GREEN CARPET

The Northwest State Community College Foundation recently hosted its 10th annual Green Carpet Event, "Golden Gala," and raised over \$80,000. All proceeds from the event go directly to student scholarships. The Auditorium and surrounding areas were decorated in the event's "Golden Gala" theme, which is an homage to NSCC celebrating 50 years of service. The evening was highlighted by the unveiling of the 2019 Making a Difference Award recipients, as well as an unforgettable performance by Piano Wars!™ Premier Dueling Pianos.

Student speaker Kimberly Clingaman shared an emotional story of how personal tragedy gave her the strength to continue her education. Clingaman received both the First In My Family and Changing Lives scholarships at the 2019 ceremony. The conclusion of her speech to the capacity audience summed it up best: "The past two years, I have been a recipient of the Changing Lives scholarship. Which is so fitting, because all I want to do is change lives by becoming a nurse and helping others."

The Making a Difference Awards were created by the NSCC Foundation as a way to recognize and celebrate individuals, businesses and organizations in the six-county area committed to improving their communities. This year's recipients were the Four County ADAMHs Board, the Bryan Area Foundation and Keller Logistics (Operation KAVIC).

# SCHOLARSHIP AWARDS EVENT

The Northwest State Community College Foundation **proudly awarded more than \$650,000 in scholarships to over 300 students** from throughout Northwest Ohio at its 2019 Scholarship Awards Event in April. These marks surpass last year's record totals, offering needed financial help to students through the generosity of donors to the NSCC Foundation.

*"Many Northwest State students balance school, family and work. Thanks to the generosity of our donors, our students are able to keep the focus on getting the best-possible education, and opening doors to great career opportunities with family-sustaining wages."*

*- Robbin Wilcox, NSCC Foundation Director*

# DONOR LIST 2018-2019

The NSCC Foundation donated \$765,431 to the College, money which will be designated for student scholarships, equipment, outreach programs and student support services.

*“The support comes from within the NSCC campus, as well as throughout the community. I don’t know of a more valuable resource that this area has, and we’re very proud to be a part of (NSCC).”*

- Brian Roth, NSCC Foundation representative

## Legacy Giving - Ida Mae Geiger

Ida Mae Geiger (1929-2014) was the Dean of our NSCC (Northwest Tech) Ohio Buckeye School of Nursing from June 1971 to September 1987. Geiger, a former Fulton County resident, was a graduate of The Ohio State University, and received her master's degree from Bowling Green State University.

In Ms. Geiger's honor, a memorial scholarship has been established. The Ida Mae Geiger Scholarship is available for Licensed Practical Nursing students who reside in Fulton County. **Additional information on this new scholarship is available online at [NorthwestState.edu/Scholarships](http://NorthwestState.edu/Scholarships).**

# BUILDING A BETTER FOUNDATION

Northwest State Community College works to raise funds to improve the quality of education for all our students at NSCC.

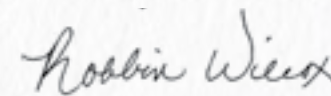

We host our Annual Green Carpet Event, the Foundation's biggest event, and have set a new record in 2019 with raising more than \$83,000. We organize a Faculty & Staff campaign with over 85% participation, and we strive hard to have 100% participation from the Foundation Board members and the College Board of Trustees.

As a community college, we gain valuable support from the area businesses who are the lifeblood of our Foundation. With their contributions, we are positioned to assist many who otherwise would not have been given a chance.

Scholarships is a main focus of our Foundation as the impact they have on our students is LIFE changing. In 2019, we awarded over 303 scholarships and awarded \$650,000. That is a lot of donors who believe in helping others.

Many of our students have remarkable personal stories and achievements. Through our efforts, we are helping more students succeed in higher education and in life.

**We are NSCC PROUD.**

Robbin Wilcox  
 Executive Director, NSCC Foundation

**PROUDLY CELEBRATING**  
*50 Years of Success*

**NorthwestState.edu**

We dedicate this "yearbook" to every life that has been impacted by an NSCC education. You are the reason we work to improve lives and strengthen communities. **Together, we are NSCC Proud.**

## **Mission**

To serve by providing access to excellent and affordable education, training, and services that will improve the lives of individuals and strengthen communities.

## **Vision**

Northwest State Community College will be a leader in education that empowers individuals and communities.

## **Values**

### **Integrity**

We believe that honesty, respect, and accountability are the basis of building trust.

### **Learning**

We believe that the acquisition and application of knowledge is the key to success, and to that end, we provide access to greater opportunities through education, training and services.

### **People**

We believe in the power of teamwork, bringing people of diverse backgrounds and communities together to excel.
