

# Student Impact

Today, & every day, I am **#NSCCProud!!**

I am SO excited to continue my educational career this fall at Northwest! They have made it incredibly easy to plan out my career path and schedule classes. I am so blessed for the financial scholarships I received that are making this opportunity possible. Thank you NSCC!!!

— 22-23 Clapp Family Scholarship Recipient, Office Administration Student

"This scholarship will give me the opportunity to pursue a health career without having to worry about student debt. The gift of a scholarship is one of the best things a company can do for students. Scholarships enable students to pursue their dreams without being held back by money issues."

## Letter from the Foundation Executive Director...

I am excited to share with you two amazing events that were recently held at Northwest State Community College.

Our Annual Green Carpet event is hosted by Northwest State Community College Foundation to recognize our Making a Difference award winners. These winners have gone above and beyond and deserve to be applauded for their good works in their community.

This event also raised money to help with student scholarships. We are fortunate to have so many caring and generous companies, organizations, and community members in our area to help make this possible.

We also hosted our annual NSCC Proud Day on June 30th. We set this day aside to bring awareness to our communities about NSCC. Our college has so much to offer and what better way to share that information than to hear from our students, alumni, employees, companies, and community members.

We are all **#NSCCProud**

## A Night of Gratitude: 2022 Green Carpet Event

Adrianna Faust

Making a Difference Award Winners

The Northwest State Community College Foundation hosted its 12th Annual Green Carpet Event on May 19, 2022. The Foundation invited its guests to "Come Together" to celebrate the Making a Difference Award Winners, and to raise funds for student scholarships.

The night began with musical entertainment by Kerry Patrick Clark.

Each year a student is chosen to speak at the Scholarship reception and Green Carpet. This year's student speaker was Adrianna Faust. Faust discussed her challenges and overcoming the cycle of abuse. She stated "Where you start does not mean that is where you will finish".

She is currently attending NSCC to earn her degree in Office Administration. To hear her full story visit: [NorthwestState.edu/Green-Carpet](http://NorthwestState.edu/Green-Carpet).

The evening ended with this year's Making a Difference Award winners included Bard Manufacturing, Van Wert County Foundation, and LaRoy Martinez Jr. The Making a Difference Awards are presented by the NSCC Foundation Board to recognize and celebrate the people and organizations committed to bettering their community and to increase awareness of their contributions across the communities served by Northwest State Community College.
