Last name  First name  Student NSCC ID

You indicated on your Student Data Form that you will be attending less than two full time
semesters during the 2015-2016 academic year (summer 2015, fall 2015 and spring 2016). *If this

and return this form to be considered for student loans.

Federal regulations require the maximum annual Federal Stafford Loan amount an undergraduate
student may borrow to be prorated in cases where it is known that the student’s remaining period of
study will consist of less than one (1) Academic Year.

- The prorated amount the student may borrow in this period of study is based on a ratio of the
  number of credits enrolled divided by 24. This amount is then multiplied by the student’s
  annual loan limit (based on dependency status and grade level) to determine the maximum the
  student may borrow in their final terms of undergraduate study.

- Stafford Loan eligibility will be prorated based on enrollment after drop/add period expires
  (first week of class).
