INTRODUCTION TO THE COLLEGE

Northwest State Community College is located in the last region of the Buckeye State to be claimed by settlers. In the quarter century since the Ohio Board of Regents approved the formation of the Four County Technical Institute, this community-serving institution has progressed steadily into the future, discovering and meeting the diverse and ever-changing needs of Defiance, Fulton, Henry, Paulding, and Williams Counties.

Studies in 1966 and again in 1967 established that a need for technical education existed and would grow in Northwest Ohio. Consequently, in 1968, the Ohio Board of Regents approved the formation of Four County Technical Institute, and classes began in September, 1969, in the west wing of the Four County Joint Vocational School. In 1972, Northwest Technical College moved into its own building. The change made it possible to accommodate 600 daytime students with laboratories, general classrooms, a large meeting room, commons, student services area, and library.

In addition, Phase II of the College Master Plan in 1987 nearly doubled the size and capacity of the College. An open atrium became the link between the renovated original structure and the new wings. The Business Technology occupies the “B” wing, with those rooms available to other courses as needed. Student services, food services, an attractive conference room, and an exercise area are housed in the “C” wing. Another building, the Child Development Center, opened in the fall of 1991. As the State Community College status brings about growth, additional building has taken place on the present 80-acre site.

The State Community College status, earned in 1994, brought about growth which led to additional building and renovations that have continued to take place on the present 80 acre site.

- In 1997, a new Engineering Technology and Science Center was opened. The 54,000 square foot facility allowed the College to provide significantly upgraded science and technology laboratories, as well as additional equipment to better serve the workforce development training needs of northwest Ohio.
- In January 2002, a new 12,000 square foot Technology Training Center was opened. The Center included five technical labs that support the Plastics, Industrial Electrical and CAD Technologies.
During the spring and summer of 2003, a total renovation of the first floor in the “A” building was begun. At that time the maintenance department had moved to its own building, making it possible for more classroom space to be added. The bookstore and food services areas were also enlarged, and more student seating was created.

In 2004, classes were offered at a satellite location in Van Wert, Ohio.

In the Spring of 2007, the second floor of “A” building was renovated to create a lab for the Medical Assisting program. In addition, five classroom and faculty offices were renovated.

In 2008, classes were offered at satellite locations in Bryan, Ohio. CTS also expanded to include a location on The University of Toledo’s Scott Park Campus.

In 2011, the Allied Health & Public Services building was opened. This building featured a new, state-of-the-art nursing lab. Along with a total renovation of the second floor in the “A” building created space for new classrooms and study areas for students.

In 2014, renovations in the “E” building created a new Advanced Manufacturing Training facility and an addition for Engineering Technologies. The addition includes new laboratory space, classrooms, and faculty offices.

To serve by providing access to excellent and affordable education, training, and services that will improve the lives of individuals and strengthen communities.

Northwest State Community College is a public, two-year college serving the people of Northwest Ohio. Northwest State’s main campus in Archbold, Ohio, is situated on 77 acres of land and has six major buildings. NSCC takes pride in its accreditation by The Higher Learning Commission and is a member of the North Central Association of Colleges and Schools.

The college also offers classes at various satellite locations found in Bryan, Toledo, Van Wert, and Whitehouse. Many classes at these locations are offered via synchronous distance learning, which takes the best pieces of the traditional classroom and combines it with the convenience of an online class. While a class may be offered at the main campus in Archbold, teleconferencing technology allows students to take that same class at a satellite location. Students at both the Archbold and the satellite location(s) will be able to see, hear and talk to their instructor and fellow classmates.
There are over 70 associate degree and certificate programs offered at NSCC. The student/faculty ratio is 20 to 1 and there are over 7,400 students with 79.5 percent being part-time.

Northwest State Community College has a majority service area of five counties: Defiance, Fulton, Henry, Paulding, and Williams. These counties make up 92 percent of the student population.

The service area receives roughly $101.3 million in income due to past and present efforts of the College. Eighty-five percent of NSCC’s students remain in the region and help contribute to the local economy.

Nine members of the Board of Trustees, who govern Northwest State Community College, are appointed by the Governor for six year terms which are renewable.

The College is structured by four major organizational areas, with each area under the direction of an executive officer who reports to the President of the College, Dr. Thomas L. Stuckey:

- Todd Hernandez
  *Vice President for Innovation*
- Cindy Krueger
  *Vice President for Academics & Student Services*
- Kathy Soards
  *Chief Fiscal and Administrative Officer*
- Mari Yoder
  *Vice President for Institutional Advancement*
CLASSROOM POLICIES
AND PROCEDURES

2015-2016
Below are the requirements that faculty are expected to fulfill throughout the semester. At the end of each semester, these expectations will be reviewed prior to rehire. Be sure all final records for the class, are submitted by the posted deadlines.

Beginning of Semester Checklist
- Complete required trainings (Title IX, FERPA, Ethics)
- If you are teaching at a satellite location, you may need to obtain a key and/or access code to access the building. Check with your Dean.
- Submit copy of syllabus (electronic and/or hard copy) to division Dean or designee by first day of class.
- Obtain Class list through my NSCC.
- Submit 14-day class list by posted due date

Throughout semester
- Notify division secretary/Dean if you need to cancel class. Voice-mail messages should not be left; return to college operator if needed.
- Submit Early Warning forms as needed.
- Use NSCC email to communicate with students. Email will be the primary method for communication of college-wide announcements.
- Cover required course content to meet the course learning outcomes.
- Complete course assessments and evaluations including SUMMA, as required.

End of Semester Checklist
- Submit Grades by the posted deadline
- Submit a copy of your grade book to the Dean or designee by the posted deadline for grades
- Return desk copies of textbooks and other course materials required by the Department to your division secretary.
- Return office and/or satellite location keys to Campus Police.

Student success has become a major focus at Northwest State Community College. Faculty are expected to uphold course standards but also make reasonable attempts to offer assistance to struggling students. Below are some suggestions that may assist these students.

- Reach out verbally or in writing to poor performing students and encourage them to meet with you and discuss areas for improvement.
- Respond to all student email within 48 hours during the week.
- Contact students by email or phone if they are absent more than one class period in addition to completing “Early Warning” form.
• Make referrals or direct students to appropriate resources: faculty advisor, financial aid, or Student Resource Center (tutoring, writing and math labs, personal counseling, career planning, special accommodations-ADA)

Starting Classes
The first class meeting should be one of meaningful activity and should not be considered a "throw-away session." There are two reasons for this: (1) there is limited student contact time in the semester. The first class session represents a significant fraction of the semester's scheduled time; (2) the initial class session is the one where lasting first impressions and expectations are made and it is important that these be positive. As the first class goes, so goes the rest of the semester!

There are a number of meaningful activities that can be conducted in the first session, even though the students did not have a prior assignment. **IN ALL CASES ~ COURSE OUTLINES, GRADING STANDARDS, POLICIES AND TEACHER EXPECTATIONS SHOULD BE DISTRIBUTED IN WRITTEN FORM AND DISCUSSED THOROUGHLY WITH THE STUDENTS.** Get the semester's work started.

On the first day of class, the instructor **WILL** distribute the course syllabus to each student and explain its contents. A copy of your syllabus **is required** for every credit course taught and needs to be given to your division dean prior to the start of each semester. A sample course syllabus for each course is available from the division dean.

For the instructor who uses teacher-prepared hand-out material, the material may be distributed and class work begun in the first session. For the teacher who uses books to be purchased by the student at the College Bookstore, students are encouraged to take advantage of the service during a short break during the first class period.

**Under no circumstance should the class be dismissed after a short meeting of 15-20 minutes during the first class session.** Use this time constructively to create a good impression with your students. This may be their very first class/semester at Northwest State Community College.

During the first day of class, the instructor will inform the students that he/she will either remain after each class at least ten minutes or will be present ten minutes before each class for those who need assistance or need to arrange another time for assistance. The instructor shall provide assistance as needed at a time mutually agreed upon by the student and instructor. Your syllabus should follow the approved course syllabus format (See Appendix A).
Inform the students:

- **Who you are.** (Writing your name on the board helps.)
- **When and where you will be available for questions and help.**
- **What your plan of action is for the semester.**

**If you are teaching at an off campus location you will need to obtain keys and/or an access code from the Campus Police to access the building.**

Class lists will be available through myNSCC at www.northweststate.edu. To view a class list:

1. Log into myNSCC
2. Select Faculty Tab (top left)
3. Select Course under Faculty Dashboard
4. Scroll to bottom of page
5. Select Summary Class List
6. Select CRN if needed (course registration number)

**If you have more than one course, click on “Back to Faculty Tab” on the top left of the screen and then select the next course.**

This list shows all students currently registered for your class. If a student’s name does not appear on the printed list, they are not registered. Students who are not registered for your class must be sent to the Registrar’s office.

Review your class list frequently to be kept updated on student registration changes (i.e. withdrawals).

Check attendance each class. Make sure all students are registered for your class.

This verification will be completed differently depending on the type of course. The Registrar emails instructors of the deadline for verification and by posting the verification schedule on the Faculty/Staff link on the NSCC homepage.

- **Face-to-Face (F2F)** – a student must have attended at least one class period during the first 14 days (timeline is prorated for flexibly scheduled classes).

- **Web Courses** – a student must submit an introductory assignment (i.e. name, major, hometown, etc.) during the first 14 days (timeline is prorated for flexibly scheduled classes).

Verification is submitted by logging onto your myNSCC account and completing the following steps:
Faculty Tab - Under Faculty Dashboard
1. Click on Course
2. Scroll to bottom of page – Select Midterm grades link at bottom of the screen
   (We are using “Midterm” grade option as the electronic option to collect verification – do not enter letter grades.)
3. Verify that all students are listed in the class list
4. Enter “NO” for never attending or “YS” for attending 1 or more class sessions
5. Press Submit
6. Please verify the accuracy. Continue to other courses by selecting the CRN Selection link on the bottom menu or the Return to the Faculty tab (top left).
7. If a student is attending class but does not appear on the class list, then this student must officially register and pay for the course.

* If you do not have a “Faculty Tab”, please contact the Help Desk at 267-1461.

The verification can also be submitted from the Employee Tab or the Faculty Tab in your myNSCC account:
1. Select myNSCC Self-Service option
2. Select Faculty and Advisor
3. Select Midterm Grade
4. Select Term, if needed
5. Select CRN – you may have a drop-down menu if you have multiple courses

The syllabus for the course(s) you are teaching, text, and other class materials are available from your division dean. Your syllabus should follow the approved course syllabus format. On the first day of class you are required to pass out copies of the syllabus and discuss its contents thoroughly with your students. Course overviews cannot be altered without the approval from the Academic Affairs Committee. If you wish to make substantial changes, you must consult with your dean and prepare the revised syllabus in time to be distributed at the first class session.

Faculty are required to cover the content and course learning outcomes listed on the course overview. A copy of your syllabus should be submitted to your division dean. See Appendix A for the course syllabus format.

All textbook adoptions are made by full-time faculty members of the appropriate division. Textbooks and other materials listed in the syllabus must be utilized to cover the course. Textbooks help maintain quality and content of our courses. If you have a suggestion for improvement, please talk with your division dean. Additional instructional supplies are available from the division secretaries, division deans, or bookstore.
Faculty
If you are ill or otherwise unable to meet a scheduled class, please call the college (419-267-5511) as soon as possible and contact the division dean. Before 8 a.m. your calls should go to the division secretary. If no one answers, please do not leave a message on the secretary’s phone. Instead go back to the switchboard and tell the operator your situation. Students will be informed of your absence and any special instructions you may have. If you know ahead of time you will miss a class, your division dean will arrange for a substitute instructor.

It may be possible to find proctors to give exams during your absence. Please contact your division dean.

Adjunct: If you are an adjunct faculty and your class must be canceled, you will be allotted 2 absentees with pay for a 31 session course and 1 absentee for a 16 session course. Any additional absences will not receive compensation.

Full-Time: If you are a full-time faculty, you will need to complete the proper paperwork; sick leave form or personal leave form.

Students
Student attendance should be tracked throughout the semester. An Early Warning form must be completed for students who have missed several classes and sent to the Student Resource Center. The student will then be notified to either attend or officially withdraw from the class. If the student chooses to withdraw from your class, they must complete an Add/Drop form, which can be obtained from the Registrar’s office or completed online.

Financial aid requirements may require faculty to provide a student's last known date of attendance. The last date of attendance will need to be submitted for any student receiving a failing grade. This can be determined by: attendance records kept, tests taken, or homework assignments received. Please be prepared to supply this information for all students receiving a failing grade.

Attendance Policy
Student attendance is essential to success in the course. Faculty may issue a failing grade to students who incur excessive absences and who have not filed an official withdrawal from a course. Excessive absences are defined as three consecutive absences or sporadic absences that impair satisfactory student progress in a course. For those students, instructors should report excessive absences and last date of attendance to Student Resources.

The College is obligated to report lack of attendance or last date of attendance to federal and state agencies that provide financial assistance to students. Failure to attend classes will result in loss of financial aid (grants and/or loans). Students considering withdrawing from all classes should contact the Financial Aid Office to discuss the financial implications of withdrawing from all classes.
The last date of attendance may be determined from attendance records, tests taken, or homework assignments submitted. Faculty will be required to report the student’s last date of attendance when a final grade of “F” or “U” is assigned. All Title IV refunds will be calculated using the student’s last date of attendance.

**Breaks**
Classes are scheduled to meet the requirements for total minutes in the classroom. Classes running longer than 90 minutes usually have a break built into the class schedule. Break timing and length are the instructor's option. Try to consider comfort, convenience, and course content as you plan. The break must not extend the class past the regular class hours. The class must meet for the required time. See below for an idea how some class schedules are adjusted to include breaks.

**Exam Week**
All classes are scheduled to meet one day during exam week, whether a final exam is given or not. The final exam schedule is posted prior to each semester.

**Guest Lecture**
A guest lecturer with relevant expertise in a particular area can be a great addition to a class. However, permission must be secured from your division dean before extending an invitation for more than a single appearance. If an honorarium is involved, prior approval must be secured from the Vice President for Academics & Student Services.
College sponsored trips must be approved by the Division Dean or Department Supervisor and the Vice President for Academics & Student Services prior to the event.

Complete the “College-sponsored Trips Request Form” identifying the date and reason for the trip (see appendix and also shared drive in forms folder).

Once approved, have each participant complete the “Release and Waiver of Liability Form” and any other required forms (see appendix and also shared drive in forms folder). All forms must be submitted to the Division Dean or Department Supervisor and then forwarded to the Office of the Vice President prior to the trip.

The individual making the request is responsible for collecting from all participants the Release form and any other documents needed for the trip (e.g. Passport numbers, medical information, emergency contact information, terms and conditions).

Students use this form to officially add/drop or withdraw from courses. Students may add/drop/withdraw from courses online by posted deadlines (see Refund/Withdrawal Schedule under the Calendars link on the website).

Students are allowed to add a new class prior to the first day of class for the specific term and may do so online until 11:59 pm the day before classes. After the term has started and the course has met, the instructor and Dean must sign the Add/Drop form giving approval for the student to add the course. Once the class has met, you may deny a student’s request to add your class. Students must also have the instructor and division dean’s approval to add a course that is filled to capacity prior to the first day of class for the specific term. The student should have the form completed before you sign and is responsible for returning the form to the Registrar’s office. The student is responsible for submitting written documentation and the Add/Drop Form to the Registrar’s Office.

Students do not need to obtain authorization from the instructor or Dean to “drop” or “withdraw” from a course. A “drop” is done through the 100 percent tuition refund period for the specific course. A “withdraw” is after the 100 percent tuition refund period and results in a “W” grade.

**Grading Policy**

**Grades must be entered via myNSCC on the College website at www.northweststate.edu.** Due dates are posted on the Faculty & Staff webpage, under “14-Day Verification, Refund/Withdrawal and Final Grade” link.

All instructors should plan their work to meet the deadline to enter final grades.
Review your class list frequently and two weeks before the term be sure there are no discrepancies between your class list and students attending the course. **Any discrepancies must be resolved two weeks before the end of the term.**

**Steps to enter final grade are as follows:**

1. Login to myNSCC
2. Select Faculty Tab (if you do not have a Faculty Tab go to Step 11 below)
3. Under Faculty Grade Assignment - Select Final Grades in drop-down menu – Click Go
4. **Select term and click submit and/or select course and click submit.**
5. Enter final grades
   a. Select a grade from the drop-down menu
   b. Failing grades
      i. When issuing an “F” or “U” or “UC” grade you **must enter a last date of attendance** in MM/DD/YYYY order including the backslash (\) in the date format.
      ii. If the **student never attended** then enter “0” in the Attend Hours column.
   c. Approved Incomplete Grade Contracts must be submitted to the Registrar’s Office by the final grade deadline for a student to be issued an “I” grade. The “I” grade will be entered by the Registrar’s Office after the incomplete form is processed.
   d. If a “W” or “AU” already appears in the grade box, no other grade can be assigned.
   e. Courses with student enrollment exceeding 25 will have a link to select the next set of records.
6. Press Submit
7. The following message appears when grades are submitted:

   ✅ The changes you made were saved successfully.

8. Grades can be submitted for all or a few students and/or changed until the due date and time when the grades are rolled to college history.

9. **To verify submission**, go to Final Grades and view submitted grades for the CRN or logout of myNSCC and then login and view final grades.

10. If you have more than one course, then click CRN Selection at the bottom of the Final Grades page.

11. If you do not have a Faculty Tab, Click the Employee Tab, select Access myNSCC Self-Service, select Faculty and Advisors, select Term, select Final Grades, select the CRN and then enter grades. Follow Steps 4-7 above.
Other grades:

**Incomplete** – To qualify for an Incomplete grade, a student must meet all of the following criteria:

- Student was unable to complete the work due to reasons beyond their control
- Student is currently passing the course
- To date 75% of course work is completed
- Course completion can be done without classroom instruction

The grade of incomplete must be accompanied by a completed Incomplete Grade Contract which indicates the specific procedures and deadlines for fulfilling course requirements. Course work must be completed by the deadline established by the instructor but no later than the end of the next semester for fall and spring terms and September 15 for summer term, whichever is earlier.

All incomplete grade contacts must be approved and signed by the division Dean. The form can be obtained in Appendix D of this handbook, or on the H:/ drive in the forms folder. The form must be submitted to the Registrar’s Office by the final grade deadline. The Registrar’s Office will post the “I” grade.

Students who fail to complete the requirements of the contract in the specified time will receive a failing grade. If you are giving an incomplete and not planning to teach the following semester, you must leave materials and written instructions with your division dean so the student can complete the requirements.

**“None” - Do not leave a grade blank** for a student. If there is no indication of a proper withdrawal (a “W” in the grade filed), you must supply a grade. If a student stops attending, does not withdraw and does not see you about arrangements to complete the course, they have earned an F. If the student never attended then an “F” grade is posted with a "0" entered into the Attend Hours Column.

**Grade Changes**

Mistakes in grading do happen. When you become aware of an error and need to make a change in a grade reported to the Registrar, you must complete a Change of Grade form available in the Registrar’s office. Sign the form and return it to the Registrar to remove the grade from the student’s record. You may also use your NSCC email and include all needed information (i.e. ID, name, course number, original grade, new grade, and reason for change). No changes will be accepted over the phone.
Grading Scale
The quality of course work at Northwest State Community College is indicated by letter grades which are used to determine a student’s cumulative point average. Northwest State Community College uses the four-point grading scale. Grades should be awarded according to the following standard (+ and - grades are not used):

A Superior - Honor grade indicating excellence. Earned as a result of a combination of some or all of the following as outlined by the instructor in the course handout: superior examination scores, consistently accurate, and prompt completion of assignments; ability to deal resourcefully with abstract ideas, superior mastery of pertinent skills, and excellent attendance. Probable success in a field relating to the subject or probable continued success in sequential courses.

B Above average - Honor grade indicating competence. Earned as a result of a combination of some or all of the following as outlined by the instructor in the course handout: high examination scores, accurate and prompt completion of assignments, ability to deal well with abstract ideas, commendable mastery of pertinent skills, and excellent attendance. Probable continued success in sequential courses.

C Average - Standard college grade indicating successful performance earned as a result of a combination of some or all of the following as outlined by the instructor in the course handout: satisfactory examination scores, generally accurate and prompt completion of assignments, ability to deal with abstract ideas, fair mastery of pertinent skills, and regular attendance. Sufficient evidence of ability to warrant entering sequential courses.

D Substandard but receiving credit - Substandard grade indicating the student has met only minimum requirements as outlined by the instructor in the course handout. Students and faculty are expected to engage in their academic work with integrity and respect for others. Students are expected to submit academic work that reflects their own original thought and is their own. Any misrepresentation in academic work, including plagiarism, is a form of academic dishonesty.

Examples of academic dishonesty include but are not limited to:

- Plagiarism – representing the words or ideas of another person as your own without identifying the source.
  - Using the exact words from a source, including cutting and pasting from a Web site, without both quotation marks to indicate the extent of the material borrowed and a citation of the original source.
  - Paraphrasing or summarizing ideas from a source without proper citation. Submitting work written or created by another, whether such work is written by a friend, an author, or is downloaded from the internet.
  - Quoting from an unacknowledged source during an oral presentation.
  - Patching together a work using phrases and ideas borrowed from a number of different sources.
  - Accepting assistance or collaborating with other students beyond what is explicitly permitted by the faculty.
• Cheating - The use of unauthorized or prohibited materials. Students, who intentionally use or attempt to use unauthorized information in any academic exercise, including computers or exams, are cheating.
• Cooperating with another person in academic dishonesty, such as, taking an exam for another student, having another student take an exam for you, or exchanging information with another student during or after an exam.
• Copying from or looking at another person’s exam or allowing another student to copy your exam.
• Obtaining unauthorized copies of an exam prior to exam time.
• Intentionally falsifying information in an academic exercise or clinical/laboratory record.
• Unauthorized resubmission of coursework for more than one course.

Disciplinary Penalties for Academic Dishonesty
A. The faculty member who detects academic dishonesty and the division dean will handle the discipline. In the event the faculty member is the dean, the Vice President for Academics & Student Services handles the discipline. Each action will be documented in writing and the faculty member will be notified.

B. For a first time offense, a grade of “F” will be issued for the project, paper, test, or whatever assignment in which academic dishonesty has occurred. A faculty member may have other penalties specified in the course syllabus. The faculty member will impose the grade.

C. For a second offense, not necessarily in the same course, a grade of “F” will be issued for the course in which academic dishonesty has occurred. The Vice President for Academics & Student Services will inform the faculty member of the second offense, and the faculty member will impose the grade. The Vice President for Academics & Student Services will inform the student.

D. For a third offense, not necessarily in the same course, a grade of “F” will be issued for the course in which academic dishonesty has occurred. Additionally, any student who has been involved in three (3) offenses, not necessarily in the same course or semester, will be dismissed from the College immediately for one (1) semester (excluding summer). Upon readmission to the College, any future offense will cause the student to be dismissed immediately with no right to readmission. The Vice President for Academics & Student Services will be responsible for imposing dismissal.

E. The student may appeal any disciplinary action by following the steps of the grievance procedure.
Reporting Cases of Academic Dishonesty

A. Within seven (7) days in which classes are held after the incident is discovered, the faculty member will file a written report of the incident with the division dean and the student charged. The report will include

1. The particular violation alleged;
2. When the incident occurred;
3. When it was discovered;
4. The names of all students involved in the incident;
5. The action taken.

B. The division dean will forward the report to the Vice President for Academics & Student Services to be placed in an academic dishonesty history file.

C. Any such filed report will be removed and destroyed upon the student’s meeting graduation requirements.

The main phone number is 419.267.1320.

Prior to registration, all degree or certificate seeking students should be evaluated or show evidence of successful completion of college-level coursework in math and English. For students who do not have evidence of prior acceptable coursework, the placement testing or ACT test is required. An appointment is required for taking the placement test. Students need to contact the Admissions Office or make a reservation online at the NSCC website.

- Accessibility Services
- Career Services
- Retention Coordinator
- Student Activities
- Success Center
- Testing Services
- Transfer Coordinator

Table of Contents
The Early Warning System includes referrals to Student Resource Center staff for a variety of support measures such as tutoring, educational planning, disability accommodations, and career planning and includes lack of attendance reporting. Reporting for lack of attendance is most effective if it is reported within the first 3-weeks for the course.

If your attempts to interact with a student have been unsuccessful or if you need additional support for a student in your course, please create an online referral through the faculty tab on myNSCC.

Hard copy “yellow cards” are to be used only in the case of a technology malfunction. Printed forms are available in bright yellow card stock in the Copy Center (C101). For full-time faculty, Early Warning forms are also available electronically on the shared drive in the Forms folder.

An effort is underway to assist students as they move through their time at NSCC, especially to help those who might need personal assistance in academic planning, balancing work and family, and coping with other issues in life. Student success is really about the “whole person” and not just the coursework, and it is hoped this integrated approach will help more students to meet their goals. The full-time staff person in this capacity will be available to meet with students as needed and to plan workshops that will appeal to students in many areas of managing school and life. For more information, contact the Retention Coordinator at 419.267.1316 or office A105H.

They adjust financial aid based on student’s enrollment, credit hour completion, length of eligibility for degree completion, and GPA standing. Students must successfully complete 67% of classes for which they register to remain in good standing; therefore, withdrawing from a class can affect a student’s financial aid.

Appeals are also handled in the office in the event that a student is placed on Financial Aid suspension for a variety of reasons. Further information is available to students and faculty in the Student Services office.

**Reserve Materials**
“Closed Reserve” is a designated area for instructors to place any materials for students to have access to for limited periods of time. Materials on “closed reserve” can be any type of study material: photocopies of articles, books, videos, DVDs, and CDs.

There are two “closed reserve” circulation periods: 4 hours, or 48 hours which allows the material to go out overnight. Instructors must indicate which circulation period will work for their reserve materials. Resource Management/Request Forms for submitting closed reserve items are available at the circulation desk or can be e-mailed to you upon request. Please include the items you want on closed reserve with the form if they are not part of the library’s collection. It is also possible to “tag” items for courses for placement on open shelves.

**Requesting of items for the collection**
The Resource Management/Request form can also be used for submitting requests for purchase to the Library. We welcome suggestions from faculty, staff, and students. Please note that we make purchasing decisions with a limited budget using specific criteria. You will be notified via email whether or not your request is approved.

Services are provided for students with documented disabilities. Any student who wishes to investigate available college resources should first contact the ADA Coordinator (419.267.1265, office A105B) who handles special accommodations provided for under the Americans with Disabilities Act. Additional information can be obtained from the college catalog.

Instructors with a student entitled to academic accommodations will be notified via myNSCC. Check under the Faculty Tab – ADA Students by Course. If you are made aware of a student in
your class who has a documented disability of any kind, please provide feedback to the ADA Coordinator as requested or as needed. Each student’s success is important and for some students, the difference between success and failure can be just one person investing that extra time in the classroom or with support services. We appreciate the support of instructors in this way, as you are the “front line” of student service by virtue of your position in the classroom.

Make-up Tests
Make-up testing procedures have been implemented that should aid in addressing confidentiality and security issues brought about by the volume of make-up testing requests. All make-up testing will be proctored by staff during designated testing hours. Testing times are as follows:

- **Monday and Tuesday**: 11:00 a.m. – 5:30 p.m.
- **Wednesday**: 10:00 a.m. – 4:00 p.m.
- **Thursday**: 9:00 a.m. – 3:00 p.m.

If you have a student who is unable to test during these designated testing hours, please contact the Success Center Supervisor at 419.267.1457.

Tests
Some courses require a standard, departmentally prepared test. Be sure you use this test in your course.

The college has a full-time staff person to advise students who are interested in transferring to another college after completing a degree at NSCC. Students and faculty will be able to use DegreeWorks and Transferology as tools to help with transferring. This will give faculty, staff, and students a resource for course equivalencies at two and four year institutions throughout the United States. Please refer students to the Transfer Coordinator in office A105J or 419.267.1353 for assistance with any transfer issues.
Division Information
Classrooms are assigned by the Vice President for Academic’s office. If there is a problem with a classroom assigned to you, fill out a Room Change Request form (can be obtained from your division secretary or the shared drive) and send it to your division dean. Please remember space is tight. Do not make changes without notification! We must be able to locate you and your students in an emergency.

As an instructor, you are responsible for leaving the classroom and/or laboratories clean and the equipment in working order. Be sure the lights are off, equipment areas are locked, and the classroom is arranged as you found it.

Room assignments are posted around the buildings during the first week of classes. Room assignments begin with A, B, C, E, or H (indicates which building) and are followed with numbers (indicates room number), for example, A203. “A” denotes the original building of Northwest State Community College and is located to the left or east of the main atrium entrance. Room numbers beginning with the letter “B” indicate classes are in B-wing which is south and west of the atrium entrance. “C” indicates the north and west wing where you can locate Student Services, Copy Center, and Business Office. The Science and Engineering Technology Center is identified as “E” building. To get to this building you can walk through “B” or “C” wing. The “C” wing provides a covered walkway to “E” building. The Allied Health & Public Services building is identified as “H” building and is located south of the atrium. A campus map can be found on the college website, the direct link is http://northweststate.edu/about-nscc/campus-map/.

Faculty
Email is the primary mode of communication used for announcements so it is important to check it often. All faculty have Northwest State e-mail accounts set up for them in Google Mail (Gmail). The account name usually will be first initial, lastname@northweststate.edu i.e. jsmith@northweststate.edu.

It is important that you use this e-mail account when communicating with your students electronically. Campus announcements are also communicated via email so it is important to check it often. This will also significantly diminish your liability in the case of a student being a victim of unlawful communication, such as sexual harassment. Since the College has full control over its email services, we can block the offending student and provide data to authorities if needed.
**Note:** If you would like to send an email notification out to the entire campus you must receive approval from either the President’s Office, or one of the Vice President’s prior to the email being sent. A copy of the email must be submitted for approval to be granted.

You may forward your NSCC email to another email account; however, you should not respond to an NSCC email through your other account. Please remember to respond to any emails through your NSCC account.

**Students**
We communicate with students via a northweststate.edu e-mail account from the College. Students will automatically be assigned an email address. Their email address will be available on the student’s home page in myNSCC. Students will still have the option of forwarding e-mail from their College account to a different e-mail address, if they so choose.

E-portfolio is a graduation requirement for an Associate Degree and is a collection of student writing which allows the College to evaluate how well it is fulfilling its goals of teaching students to write and to think critically. In order to fulfill the portfolio requirement for graduation, each student’s portfolio should include a submission for:

- Composition I – the final paper, including Works Cited page from ENG111
- Composition II – the research paper, including the Works Cited page from ENG112
- Humanities Core Course – writing assignment to demonstrate critical thinking skills
- Social Science Core Course – writing assignment to demonstrate critical thinking skills
- Late Program Course – a course later in their program chosen by the student representing their best writing and critical thinking skills (not duplicating other portfolio submissions and preferably from the final semester)
- Technical Course – writing assignment from the student’s technical program (not duplication other portfolio submissions)

Other assignments may be submitted that are specific to the student’s degree program. Some programs required additional submissions beyond the minimum listed above. Students can find out more about e-portfolios in the Academic tab located in their myNSCC as well as how to submit requirements.
Faculty can facilitate eportfolio submissions by identifying potential assignments that would qualify for submission to the eportfolio and reminding students to upload their submissions.

Dry erase markers will be distributed to each faculty member at the beginning of each semester. Each faculty member will be responsible for bringing their markers to class. Throughout the semester, replacement markers can be obtained from your division secretary. A small supply will also be available in the copy center.

Audiovisual Services
Requests for equipment from the helpdesk must be made through email at helpdesk@northweststate.edu. Phoned in requests are also accepted at extension 1461. Blanket requests for the entire semester should be made as soon as possible. If there are dates during the semester that the equipment is not needed, please let the helpdesk know in advance.

Equipment is on a first-come, first-serve basis. Some equipment is available for off campus use as long as it is not needed on campus during that time. Check with the helpdesk for availability. The helpdesk is responsible for scheduling and delivering equipment. We ask that equipment is not moved without first notifying the helpdesk. Individual instruction is available by appointment.

Many rooms are equipped with special instructional equipment. Not all rooms have the same equipment. If you need special equipment contact the helpdesk. They can also give you a listing of the technology available in specific classrooms.

Please report equipment problems as soon as possible (ext. 1461). When calling regarding a problem, please have the model type available. The helpdesk will repair or replace the equipment as soon as possible after you call.

Discipline problems seldom occur in the classroom. However, if a problem should arise, you should attempt to handle the problem yourself. If the problem requires further attention, notify your division dean. There are also security telephones in each hallway that dial directly to campus police if you need their assistance immediately.
All students are assigned an advisor who is a full-time faculty member. All new degree-seeking students are required to attend a mandatory student orientation and meet with a faculty advisor prior to registering for classes the first time.

Students and advisors have access to DegreeWorks, a degree audit program that lists the courses, including student success coursework, needed for degree completion. DegreeWorks can be accessed through myNSCC or directly accessed at https://degreeworks.northweststate.edu/ by students and faculty advisors. Advisors should log in as themselves to access student information and NEVER ask for the students login information.

Forms for the grievance policy can be obtained from the division dean or secretary. Below is an outline of the grievance process.

Resolution of a problem, whether academic or administrative, can be achieved through proper channels or authority and may be resolved at any level of the due process and grievance procedure. Any student filing a grievance must follow the step-by-step procedure found in the Institutional Policies and Procedures section of this handbook.

*** CHECK YOUR MAILBOX EVERY TIME YOU ARE ON CAMPUS ***

Your faculty mailbox is in the copy center, Room C101. Adjunct faculty are assigned mailboxes are located at the end of the full-time faculty and staff mailboxes.

Please inform your students at the first class session when and where you will be available outside of class time for questions and individual assistance. Usually instructors make time available before or after class and make other appointments as needed for more individual help. Posting your office hours on your office door is a convenience to all.

The college will not give out your home address and phone number to students. They may contact you through your faculty mailbox or college email. Frequently, however, part-time instructors do give students their home, business phone numbers, or e-mail address; however, it is recommended to use your college email. Students are usually quite responsible about calling, but it is your decision.

We are committed to a policy of non-discrimination on the basis of sex, race, color, national origin, sexual orientation, marital status, disability, religion, or age in admission and access to, or treatment, or employment in our programs or activities as required by Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title VI and VII of the Civil Rights Act of 1964, the Age Discrimination Act and their implementing regulations. Harassment, sexual harassment, and/or sexual misconduct of students, employees, or others working or visiting in the employment or academic setting will not be tolerated.

(B) To help ensure that employees and students are not subjected to illegal harassment/bullying, and in order to create a comfortable work and learning environment, the college strongly opposes and prohibits any offensive physical, written, spoken, or non-verbal conduct as defined and otherwise prohibited by state and federal law.

(C) Sexual misconduct in the work or academic setting will not be tolerated. The college seeks to provide and maintain a professional learning and working environment and considers consensual sexual relationships in which one individual has direct responsibility for the evaluation of the other, or has responsibility for supervising, advising, or counseling the other in the course of carrying out his/her job responsibilities, to be unprofessional.

(D) Offenders will be subject to appropriate college adjudication processes and the full range of disciplinary action provided by college policy, up to and including discharge, dismissal, or expulsion. This policy and its procedures shall be the only internal college forum of resolution for harassment, sexual harassment, and/or sexual misconduct complaints.

(E) College community members or others who feel that they have been victims of harassment, sexual harassment, and/or sexual misconduct in the work place or academic setting will be provided with appropriate support from Harassment/Sexual Harassment/Sexual Misconduct Policy.
the college. Members of the college community shall include all Northwest State Community College students, members of the Board of Trustees, faculty, staff, and administrators, whether full- or part-time.

(F) College Administration will develop procedures related to this policy.

1. Members of the college community or others who believe they have experienced harassment, sexual harassment or sexual misconduct in the college community, are entitled to an investigation and complaint process as detailed in this procedure.
   a. Harassment includes but is not limited to the following:
      i. Unwelcome written, spoken, or physical conduct regarding race, color, religion, national origin, age, gender, sexual orientation, pregnancy, disability, or as defined by law.
      ii. Creating a work environment that is intimidating, hostile, abusive, or offensive because of unwelcome or unwanted conversations, suggestions, requests, demands, attentions, or the display of offensive items that relate to an individual’s race, color, religion, national origin, age, gender, sexual orientation, pregnancy, disability, or as defined by law.
   b. Sexual harassment is behavior based on gender, sexuality, or sexual identity of persons that prevents or impairs their full realization of educational or occupational opportunities or benefits. What is often at issue is not sexual attention per se, but intimidation, coercion, or abuse of power. Such behavior is especially harmful in situations where the imposition of unwanted sexual attention is accompanied by the promise of academic or employment rewards or the threat of reprisal.

The college values and protects academic freedom. Since vigorous, open discussion of controversial issues can cause discomfort, and since vital teaching and learning can itself be the occasion for students, employees, and faculty to face difficult or awkward or painful matters, it is important for all to realize that this policy on sexual harassment is not intended to restrict serious discussion of controversial issues in academic situations.

No matter how carefully worded a definition of sexual harassment might be, unforeseen situations may arise.
which cannot easily be included in any definition. Thus, sexual harassment is defined to include but is not limited to the following:

i. “Quid pro quo” sexual harassment occurs when an individual’s submission to or rejection of unwelcome sexual conduct is the basis for decisions affecting such individual. This kind of sexual harassment usually involves administrators, faculty, or others in an evaluative position that uses the following:
Threats--firing, blocking promotion, transferring, or giving a bad evaluation or grade if a person does not submit to sexual advances; and/or
Rewards--hiring, promoting, or giving a salary increase or grade if a person does submit to sexual advances.

ii. “Hostile environment” sexual harassment covers severe, persistent, or pervasive actions which unreasonably interfere with job performance or create an intimidating, hostile, or offensive work environment even if it leads to no tangible or economic job consequences.

iii. Examples of sexual harassment include but are not limited to the following:
1. Unwelcome requests or demands for sexual favors. This may include subtle or blatant expectations, pressures, or requests for any type of sexual favor, including repeated unwelcome requests for dates, whether or not accompanied by an implied or stated promise of preferential treatment or negative consequences concerning one’s employment or student status.
2. Unwanted and repeated verbal abuse or kidding that is sexual in nature, such as unwelcome sexual jokes or innuendos, graphic verbal commentaries about an individual’s body, sexually degrading words, or the display of offensive or sexually suggestive items.
3. Unwelcome or unwanted sexual advances. This may include patting, pinching, hugging, cornering, kissing, fondling, or any other similar physical conduct of a sexual nature.

   c. Sexual assault involving physical contact, sexual battery, and rape are extreme forms of sexual harassment and are felony crimes in the state of Ohio. As required by the Ohio Revised Code, Northwest State Community
College’s Chief of Police will notify the Local Sheriff’s Department of all reports of sexual assault, sexual battery, and rape for their investigation and prosecution.

i. In addition to prosecution under Ohio law, a student or an employee convicted of sexual assault, sexual battery, or rape may be disciplined by the college under college policy and procedures up to and including dismissal or termination from the college.

d. Sexual misconduct refers to inappropriate consensual sexual relationships.

i. Consensual sexual relationships are prohibited when a student is enrolled in a class taught by the faculty member, is an advisee, or is in some other way subject to the faculty member’s supervision as the faculty member carries out his/her job responsibilities. Also prohibited are consensual sexual relationships between staff or administrative employees and the students or employees they supervise, professionally advise, or counsel in the course of carrying out their job responsibilities.

ii. To avoid being in violation of the sexual misconduct policy, those involved have the responsibility to notify the Director of Human Resources about their relationship and to seek a reasonable resolution.

2. The College will investigate thoroughly and take appropriate action concerning any reported incidents of harassment, sexual harassment, and/or sexual misconduct. If anyone believes that he or she is being subjected to any of the above-mentioned forms of harassment, sexual harassment or sexual misconduct, or is aware of someone who is being subjected to the above, he or she is legally obligated to bring this to the attention of the appropriate administrators. The registering of a complaint will in no way be used against the employee or student, nor will it have an adverse impact on the individual’s employment or student status.

3. The college will make all reasonable efforts to maintain the confidentiality of parties involved in harassment, sexual harassment, or a sexual misconduct investigation; however, confidentiality cannot be guaranteed. Parties involved and individuals cooperating in any investigation, including appearing at a hearing should treat all information as confidential and not engage in public discussion of the case.

4. Reporting
a. The offended party or any employee who has direct knowledge of an alleged incident of harassment, sexual harassment, or sexual misconduct must immediately report that alleged incident to the Title IX Coordinator or Deputy Coordinator(s), any senior level administrator, or the campus police.

b. The Director of Human Resources will serve as the Title IX Coordinator. Deputy Coordinators will include the Vice President for Academics & Student Services for student related issues and the Supervisor Employment & Benefits for employee related issues.

6. Informal process
The college’s informal process is intended to resolve a complaint between employees, excluding student workers. The Director of Human Resources and a designee appointed by the President on a continuing basis, who is not the same gender as the Director of Human Resources, will implement the informal process of the college.

a. The Director of Human Resources will inform the alleged offender that a complaint has been filed against him/her.

b. Depending upon the nature of the complaint and the wishes of the person(s) claiming harassment, informal resolution may involve but is not limited to one or more of the following:
   i. Discussion of the complaint and advising the person(s) how to communicate the unwelcome nature of the behavior to the alleged harasser.
   ii. Separate discussions with both parties and other appropriate individuals, such as the parties’ administrator(s), to work out a resolution.
   iii. If both parties agree, arranging and facilitating a meeting between the person(s) claiming harassment and the person(s) accused of harassment to work out a resolution.

c. Information about all informal complaints and resolutions will be kept on file in the office of the Director of Human Resources. Should the formal process be used, the information gathered shall be forwarded to the Investigative Team.

7. Preliminary Investigation
Complaints involving students and unresolved complaints from the informal employee process will proceed to a preliminary investigation. The investigative team will investigate and make written recommendations as to whether or not the complaint(s) warrant a formal hearing.
a. Typically the Vice President for Academics & Student Services (Deputy Title IX Coordinator) and a member of the campus police will investigate student related issues.

b. Typically the Supervisor Employment & Benefits (Deputy Title IX Coordinator) and a member of the campus police will investigate employee related issues.

c. The Title IX Coordinator/Director of Human Resources will ensure that the investigative team is:
   i. Trained to investigate harassment, sexual harassment, sexual misconduct issues.

e. The investigate guidelines followed by the team are outlined below:
   i. A detailed written statement dated and signed by the complainant(s) must be filed with the Investigative Team. The statement should be as specific as possible including dates, times, locations, a description of the alleged harassing behavior, and the name(s) of the alleged harasser(s). The statement should also identify any person(s) who may have information that would be helpful to the Investigative Team.
   
   ii. The Investigative Team will contact the respondent(s), provide them with a copy of the written statement, and interview them. The team may request a written response to be submitted within three (3) working days following interview. The response should also identify any person(s) who may have information that would be helpful to the Investigative Team. Within five (5) working days after receiving the respondent’s report, the Investigative Team may schedule meetings to discuss the harassment incident(s) with each of the parties and any individuals identified by either party as having information that may be relevant to the investigation.
   
   iii. To the extent possible, the Investigative Team will protect the privacy interests of those involved and only provide the information to those designated under this procedure. Therefore, all individuals
discussing the complaint with the team will be advised not to comment on their discussions outside of the meeting with the team.

iv. Within five (5) working days after completing their investigation, the team shall recommend whether the complaint warrants going to a hearing. The written determination prepared by the team will have supporting logic and reasoning and will be submitted to the Director of Human Resources.

v. Within five (5) working days of receiving the Investigative Team’s recommendation, the Director of Human Resources/Title IX Coordinator will review the team’s report and determine if the complaint should go to a formal hearing.

vi. The Director of Human Resources/Title IX Coordinator or Deputy Coordinators can mutually agree on a solution with the respondent and the complainant.

f. If it is determined that no hearing will take place, Director of Human Resources/Title IX Coordinator or Deputy Coordinators will communicate the decision to the complainant(s) and the respondent(s). The complaint will be considered resolved.

8. Hearing
   a. If a hearing is to be held, written notification will be provided to the complainant(s) and the respondent(s). The notice may be hand delivered or postmarked to the last known address of the student or employee, no fewer than ten (10) calendar days prior to the hearing.

If both parties are in the same classification, one panel member may service to represent that classification. In the case of student complaints, one panel member will represent the student.
      ii. The panel will represent diversity
      iii. The panel members will have no reporting or familial relationships to the parties involved.
      iv. The panel members will not be employed in the
same work group or department as any of the parties. Panel members representing a student, will not have the student in any class.

x. After the panel has heard from all other persons invited to appear, the panel members may ask further questions of all parties, the Investigative Team, and the Director of Human Resources.

xi. The chairperson shall conclude the hearing, and the panel will retire to consider its decision.

   a. Within one week after the conclusion of the hearing, the panel will issue a written report to the Director of Human Resources/Title IX Coordinator that will contain one of the following findings with supporting rationale.
      i. The college’s harassment, sexual harassment, and/or sexual misconduct policies have not been violated;
      ii. The college’s harassment, sexual harassment, and/or sexual misconduct has been violated. To issue this finding, the panel must be convinced by the “preponderance of evidence” that it is more likely than not that the sexual harassment took place.
   b. The findings of the Harassment Review Panel will be communicated to all parties involved by the Director of Human Resources/Title IX Coordinator or the Deputy Title IX Coordinator(s). The respondent of the decision will be informed in writing of any plans for corrective or disciplinary action.
c. A record of every complaint received will become a part of a complaint investigation file.

   ii. Student files will be maintained in the office of the Vice President for Academics & Student Services.

10. The college reserves the right to use the full range of disciplinary action provided by college policy, up to and including discharge, dismissal, or expulsion if any member of the college community brings a false complaint of sexual harassment.    c. An appeal of decision must be submitted in writing and postmarked or hand delivered to the Director of Human Resources/Title IX Coordinator within ten (10) calendar days after the date on which written notice of the decision is sent to the student.
   d. Appeals will be reviewed by two (2) individuals.
Eligible individuals are from the Hearing Panel pool, Title IX Coordinator or Deputy Coordinator(s).

3. Hearing
   a. A student who is formally charged with a code violation will have their case heard at an administrative proceeding to be arranged within 14 calendar days of the charges being filed.    b. In cases where a charged student admits such violation, the student may request in writing to have an administrative decision without a hearing.

4. Administrative Decision
   a. In all cases, a student charged with one or more violations of the student code has the right to a hearing. witness documents within three (3) calendar days prior to the hearing by contacting the Office of the Vice President for Academics & Student Services.

2. If an individual does not choose to attend a hearing, waiving their right to personally appear, the charges will be reviewed as scheduled on the basis of the information available, and a decision will be made.
3. Although no inference may be drawn against a student for failing to attend a hearing or remaining silent, the hearing will proceed and the conclusion will be based on the evidence presented.
4. No decision shall be based solely on the failure of the accused student to attend the hearing or answer the charges.

d. Attendance limitations
i. Attendance at hearings is limited to the accused student, advisor, committee members, and witnesses.
ii. The hearing officer or body will take reasonable measure to assure an orderly hearing, including removal of persons who impede or disrupt proceedings.

e. Advisor
i. The accused student may have an advisor present at the hearing. The advisor is an employee of the college.
ii. The advisor may only counsel the student and may not actively participate in the hearing, unless clarification is needed as determined by the hearing officer or committee.

f. Witnesses
i. The accused may submit a written statement(s), may invite relevant witnesses to attend, may ask questions of witnesses called by others, and will be notified of potential witnesses to be called.
ii. The College may submit written statements, present witnesses, as well as question those presented by the accused. Witnesses shall not attend the entire hearing, but will be called to present information by

g. Separate hearings
   i. When more than one student is involved in alleged misconduct the College does not provide separate hearings.
   ii. Students may request, in writing, a separate hearing at least three (3) calendar days before the scheduled hearing.
   iii. The Vice President for Academics & Student Services or designee will be responsible for reviewing such requests and promptly informing the student(s) of the decision.

l. Presumption of Innocence
   i. Students are entitled to a presumption of innocence. Hearings, unlike proceedings of courts of law, do
not require conclusive proof; instead the greater weight of evidence is the standard applied for the hearing body to make a decision.

ii. A student will not be found in violation unless the following are achieved:
   1. In cases of academic misconduct preponderance of the evidence supports the charge(s).
   2. In all other cases of prohibited behavior, the greater weight of the evidence supports the charge(s).
   3. A simple majority of the hearing body membership shall constitute a quorum. A quorum of the hearing body must be present to conduct a hearing, unless the student waives the quorum rule in writing.
   4. If the committee determines that exhaustive deliberations have occurred and a majority decision is not reached the student will be found not in violation.

m. Notification of Decision
Sanctions to be imposed by the college are varied and should be commensurate with the violations(s) found to have occurred. In determining the sanctions(s) to be imposed, the consideration should be given to mitigating circumstances and any aggravating factors including, but not limited to, any past misconduct by the student, provocation the subject of the conduct the constituted the violation, failure of the student to comply fully with previous sanctions, the actual and potential harm caused by the violation, the degree of intent and motivation of the student in committing the violation, and the severity and pervasiveness for the conduct that constituted the violation. Impairment resulting from voluntary use of alcohol or drugs (i.e., other than medically necessary) will be considered an aggravating and not a mitigating factor. One or more of the following courses of action may be taken when a student has been found to have violated the code of student conduct.
   i. At the conclusion of the hearing, the hearing officer will submit a written record containing the hearing committee’s disposition and suggested sanctions to the Vice President for Academics & Student Services within seven (7) calendar days. Possible sanctions include:
      1. Disciplinary warning

A student under warning shall continue to exercise all right and privileges for the college as a student in good standing. Upon issuance of a formal warning, a discipline file is created in the office of the Vice President for Academics & Student Services. The file will be consulted in determining sanctions for any further proven code violation.

2. Disciplinary probation

Such privileges and eligibility are automatically restored upon completion of the probationary period if the student has complied satisfactorily with all conditions and has refrained from further code violations. Upon issuance of a formal probation, a discipline file is created in the office of the Vice President for Academics & Student Services. The file will be consulted in determining sanctions for any further proven code violations. Allied Health & Public Service and Nursing have program specific warning notice procedures; these reports are filed with the respective Dean.

3. Suspension
Suspension is a sanction that terminates the student’s enrollment, separating the student from the college for a period not to exceed two (2) full academic semesters (excluding summer) following the effective date of the imposition of the suspension. Readmission at the end of the suspension period may require satisfactory completion of specified stipulations to be met. Upon issuance of a formal suspension, a discipline file is created in the office of the Vice President for
4. Disciplinary dismissal

Upon reinstatement, student may be required to meet other conditions imposed by the vice president such as ineligibility to participate in specified student activities; or periodic contact with a designated college staff member or counseling agency. Upon issuance of a formal dismissal, a discipline file is created in the office of the Vice President for Academics & Student Services. The file will be consulted in determining sanctions for any further proven code violations.

5. Expulsion
Expulsion is a sanction by which the student is involuntarily separated from the college permanently. Upon issuance of an expulsion, a discipline file is created in the office of the Vice President for Academics & Student Services.

6. Other sanctions
Other sanctions identified through the hearing proceedings deemed appropriate to the student and the conduct violation in question may be imposed, singularly or in combination with any of the above-listed sanctions. Examples include, but are not limited to, research assignments, community service projects, and special workshop participation, making restitution for property damage or misappropriation of college property or service, or the property of any person, restriction of access to specified campus facilities and/or property, and /or referral to medical
resources or counseling personnel. These can be assigned as recommended sanctions or as conditions to another sanction. Upon issuance of formal sanctions, a discipline file is created in the office of the Vice President for Academics & Student Services. The file will be consulted in determining sanctions for any further proven code violations.

ii. Within fourteen (14) calendar days of the hearing, the Vice President for Academics & Student Services or designee shall notify the student(s) of the decision and, where applicable, imposition of sanctions.

iii. If the student has been found to have violated the code, the letter shall inform the student of his/her right to appeal the decision.

n. A student who has been dismissed or suspended from the college shall be denied all privileges afforded a student and shall be required to vacate campus at a time determined by the hearing panel. In addition, after vacating campus property, a suspended or dismissed student may not enter upon campus and/or other college property at any time, for any purpose, in the absence of express written permission from the Vice President for Academics & Student Services or designee. To seek such permission, a student must file a written petition to the Vice President for Academics & Student Services or designee.

8. Appeal Process
a. A student found to have violated this code has the right to appeal the original decision of the Hearing committee or Administrative decision.
   i. A student may continue to attend classes and exercise other rights and privileges of a registered student during the appeal process, but the College reserves the right to impose the sanction(s) retroactively to the date of sanctions(s) cited in the original notification from the Vice President or designee.
   ii. A hold will be placed on a student’s record pending completion of the due process appeal.
   iii. An appeal must be based upon one or more of the following grounds:
1. Procedural error,
2. Misapplication or misinterpretation of the rule alleged to have been violated,
3. Findings of fact not supported by the greater weight of the evidence,
4. Discovery of substantial new facts that were unavailable at the time of the hearing, and
5. That the disciplinary sanction imposed is grossly disproportionate to the violation committed.

iv. An appeal of decision must be submitted in writing and postmarked or hand delivered to the Vice President for Academics & Student Services or designee within ten (10) calendar days after the date on which written notice of the decision is sent to the student.

b. Appeals will be reviewed by two (2) hearing officers.
c. Appeal Proceedings
   i. The appeal officers shall dismiss the appeal if it is not based upon one or more of the grounds set forth above in section 8.a.

   ii. The appeal officer may decide the appeal based upon a review of the record.

   iii. The appeal officer may request additional written information or an oral presentation from any relevant person(s) and then decide the appeal based upon the enhanced record.

d. Possible Dispositions by the Appeal Officers
   i. The Appeal Officer, after a review of the record may pursue the following:
      1. Uphold the original sanction;
      2. Dismiss the original sanction, or impose a lesser sanction;
      3. Remand the case to the original hearing body; or refer the case to a new hearing officer or committee to be reheard. If possible, a new hearing officer or committee should be different from the one that originally decided the case. If a case is reheard, the sanction imposed can be greater than that imposed at the original hearing.

   ii. Decisions made by the Appeal Officers are final and cannot be appealed. If the case is remanded, the
second hearing decision is final.

9. Maintenance and Confidentiality of Student Conduct Records
   a. A single record consisting of written notes, audio or video recording or other medium selected by the hearing committee will be made of all hearings.
   b. Such record will remain the property of the College.
   c. A completed file for each case of misconduct shall be maintained in the office of the Vice President for Academics & Student Services or designee for two years. In the case of a dismissal of more than two years, the file will be maintained for one year after the term that the dismissal expires.

Please contact your Dean or the Registrar for assistance.

Family Educational Rights and Privacy Act (FERPA)

FERPA was enacted to protect the privacy of students’ educational records, to establish the rights of students to inspect and review their educational records, and to provide students with an opportunity to have inaccurate or misleading information in their educational records corrected. The College has designated the following as “Directory Information” and may be released by the College at its discretion: name, major, dates of attendance, degrees conferred, birth date, full-time or part-time status, address*, and email* (*for legitimate educational purposes only).

Avoid violations of FERPA, DO NOT:
- Publically disclose the name of a student and that student’s social security number, NSCC ID number. Illustrations of how these rules may be violated include:
  - Use SSN or NSCC ID of a student in a public posting of grades.
  - Leaving graded tests in a stack for students to pick up by sorting through the papers of all students.
  - Circulate a printed class list with student name and ID numbers, or grades as an attendance roster.
- Print a student’s academic transcript and release to a third-party. Only the Registrar’s Office is authorized to release a transcript with a student’s written authorization.
- Discuss the progress of any student with anyone other than the student (including parents) without the consent of the student.
• Provide anyone with student schedules or assist anyone other than a college employee in finding a student on campus.
• Leave your computer unattended and an unauthorized person retrieves information from the computer.
• Release GPA, grades, or other non-directory information in a letter of recommendation without obtaining a signed release from the student specifying what may be disclosed, the purpose of the disclosure, and the third-party to whom the disclosure can be made. Statements made by a person based on that individual’s personal observation does not require a written release from the student.
• Confidentiality is an important thing in your job. **When in doubt, do not give it out.**

Forms for the grievance policy can be obtained from the division dean or secretary. Below is an outline of the grievance process.

Resolution of a problem, whether academic or administrative, can be achieved through proper channels or authority and may be resolved at any level of the due process and grievance procedure. Any student filing a grievance must follow this step-by-step procedure.

I. **Academic and Non-Academic Matter**

   a. **Informal discussion** between the student and the faculty member / administrator should take place within 12 instructional days* from the date of occurrence or discovery. If the matter is not resolved, the student may invoke the formal written appeal process outlined below.

   * NOTE: An instructional day is defined as any day, Monday through Saturday, that NSCC holds classes, during the regular fall, spring, and summer (8 week) term.

   **NOTE: A grade challenge date of occurrence will be the date posted to the transcript.

   b. **Step 1 - Formal Appeal Process**

      i. The student will submit a written grievance form to the individual involved within six (6) instructional days following unresolved informal discussion. If the written request is not received within the 6-day deadline, the case will be considered closed and the student will have forfeited the right for an appeal hearing.
ii. Within six (6) instructional days of receiving the formal grievance, the individual involved and the student will meet and attempt to resolve the problem to the mutual satisfaction of both parties.

iii. The faculty member/administrator will issue a written response to the student within six (6) instructional days after the meeting.

iv. If the problem is not resolved in step one or the above time frames are not adhered to by the faculty member/administrator, the student may proceed with Step 2.

ii. Within six (6) instructional days of receiving all written documentation, the immediate supervisor will meet with the student and the individual involved to attempt to resolve the problem to the mutual satisfaction of both parties. The Vice President for Academics & Student Services may attend this meeting at his/her discretion.

iii. Within six (6) instructional days after the meeting, the immediate supervisor will issue a written response to all parties involved, with the original copy to the Vice President for Academics & Student Services.

   1. If the problem is resolved, the written resolution issued by the supervisor will become part of the original document and bring closure to the grievance

   2. If the problem is not resolved, the student may proceed to Step 3.

iv. If the above time frames are not adhered to by the student, the case will be considered closed and the student will have forfeited the right for an appeal hearing.

d. **Step 3 - Formal Appeal Process**

i. Within six (6) instructional days of receiving the written response from Step 2, the student may request a formal hearing by notifying the Vice President for Academics & Student Services. If the request is not received within the 6-day deadline, the case will be considered closed, and

   *Timelines for Step 3, ii. are not strictly enforced during the summer semester – student will be notified of altered timeframe.

iii. The hearing will take place within six (6) instructional days after the committee appointments. To prepare for the hearing, the chair of the ad hoc committee may make the following arrangements, which are intended to facilitate due process.

1. Provide all ad hoc committee members with copies of the written grievance prior to the meeting.

2. Identify a date, time and meeting place convenient for the ad hoc committee members, the student grievant, and the person who is the object of the grievance.

3. Inform the student and the individual involved that they may present witnesses and additional written documentation at the hearing.

4. The following chronology for the hearing and follow-up is recommended. (The proceedings may also be tape-recorded, provided that all parties are informed in advance.)

INSTITUTIONAL SUPPORT

2015-2016
Campus Emergency & Public Safety Procedures

Campus Police: 419.267.1452 (office) or 419.572.1773 (cell)

Northwest State Community College utilizes the Quick Alert Emergency Communication System as a fast and reliable means of sending urgent information to the campus community. It is important that all employees login to their Quick Alert account to update their contact information and communication preferences. This can be done by logging on to myNSCC and clicking on the Quick Alert link in the middle of the Home tab.

Announcements made through the Quick Alert system include, campus emergencies, school closings and important student information and reminders.

The college’s decision to delay, cancel classes, or close is based on the condition of our parking lot and the area businesses and industries closing. If you believe the conditions are such that you should not be traveling, you are responsible to make the decision. The college does not provide transportation to our students and thus does not follow the same factors to determine if we have school as the K–12 school systems. If the college is in session during that time and you are uncomfortable driving, you are responsible to make arrangements with your Dean.

The college will initiate the QuickAlert system which will call, text, and email you automatically when there is a delay or closing. In addition, the college will announce delays or closings over radio/television stations.

It is important to read and listen to the delays or closing announcements carefully. The college offers classes at many locations and only the location in the announcement will be closed (except for our synchronous classes which will close when the main campus closes). Also, the college may close only for the morning, the afternoon, or the evening classes. Morning closings will be announced by 6:00 a.m. (classes starting between 7:30 and 11:45 a.m.), afternoon closing will be announced by 10:00 a.m. (for classes starting between 12:00 noon and 5:30 p.m.) and evening will be closed by 4:00 p.m. (for those classes starting after 5:45 p.m.). The quickest place for you to find any weather related updates will be the college website (www.northweststate.edu). The second quickest way is to watch or listen to the radio and television stations listed below. A message will be placed on the college switchboard but you may experience a longer than normal wait until your call is answered due to high call volume.

In the event it is announced that the College is closed on such days, all employees will be excused from reporting except those employees whose presence is necessary to correct the situation so the College may open. (Example: Custodial staff will be required to report so that snow or ice may be removed.)

1. If the closing of the College is due to conditions at the College site such as water, electrical, heating failure, etc. and it has been announced as closed due to these conditions, Maintenance, Custodial Personnel, Deans, Vice President for Academics & Student Services and President will be the only personnel expected to report. These persons required to report under such conditions will be granted compensatory time off. The President or his designated representative may excuse any or all of these persons from reporting if it is deemed necessary.

   In case the above conditions affect the pay date, this pay date may be moved back the corresponding number of days that these conditions are in effect.

2. The President or his designated representative will make the decision on whether or not to call off school.

**Electronic W-2 Form**
Northwest State Community College is required by the IRS to furnish all employees each calendar year with a Form W-2 to be used in completing the employees’ annual tax returns. The Form W-2 details the employee's compensation and tax withholding amounts for the year.
In the past, employees have received paper copies of their Form W-2; however, we now have a new option available.

Beginning with the 2011 W-2 forms, instead of paper copies, Northwest State Community College employees may choose to receive their W-2 online through the Employee Self Service system.

**Consent**
The IRS has approved the use of electronic W-2 statements; however, employees must provide their consent to receive their W-2 in electronic format in lieu of paper format. For this reason, if you wish to attain all future W-2 statements in electronic format, follow the instructions given below.

**Instructions to Consent to Receive Your Form W-2 in Electronic Format in Lieu of Paper Format:**

1. Go to http://www.northweststate.edu. On the bottom left corner clock on myNSCC
2. Login to myNSCC using your Banner ID and PIN click Login
3. Click on “Banner Self-Service” located in the myNSCC Self-Service Menu box
4. Click on “Employee” then “Tax Forms” and then “Electronic W-2 Consent”
5. After reading the disclosure, click the box under My Choice
6. Click Submit

**Instructions to Access Your Form W-2:**
Once you consent to receiving your W-2 electronically, you may access it by completing the following steps:

1. Go to http://www.northweststate.edu. On the bottom left side corner click on “myNSCC”
2. Login to myNSCC using your Banner ID and PIN and click Login
3. Click on “Banner Self-Service” located in the myNSCC Self-Service Menu box
4. Click on “Employee” then “Tax Forms” and then “W-2 Wage and Tax Statement”
5. Select the tax year for the corresponding W-2
6. Click Display

For questions regarding electronic W-2 forms, please contact Nancy Dunson in the Business Office at 419.267.1391.
All students, faculty, and staff are required to have a Northwest State Community College Photo ID. These IDs are your library cards and are required in the bookstore for purchases. Your photo ID can be taken at the Campus Police Office right next to the receptionist’s desk in the Atrium. If no one is available, please contact the receptionist area. They will contact someone to process your photo ID. **There is a $10.00 fee for replacement of lost IDs.**

Annual evaluations are completed by the employee and supervisor. The electronic forms can be found on the shared drive in the forms folder. Two evaluation forms are in the folder, one for faculty and one for graded and support employees.

The employee will initially complete the evaluation form and submit it to their supervisor for review. A meeting will be scheduled to review the evaluation where the supervisory will present their evaluation of the employee. Once both evaluations have been discussed and signed they will be sent to Human Resources to be filed in the employee’s records.

Course Syllabus Format

Minimum Information Requirements

Part I – Standard for All Sections of a Given Class

Instructor:
Include your name, office location, office hours, office phone, and college email address. Your home phone number is not required.

Course Information:
• Include basic information: Course title and number, term (e.g. Fall 2012).
• **Course Description:** (as given on the Course Overview)
  Use the official course description. This will be the description listed in the current college catalog (unless the division has adopted a new description since the catalog was published).
  Include the credit hours, contact hours, and any lab hours.
  If the course has an official Ohio TAG number, be sure to include it.
• **Prerequisites:** (as given on the Course Overview)
  List all course prerequisites for this course as well as other expectations for student preparation as listed in the catalog. Be sure to cover this material with students on the first day of class to insure they are clearly aware of these expectations.
• **Withdrawal Statement:** (as approved through Academic Affairs & Faculty Council)
  Refund and withdrawal dates for this course can be found under the Calendars/Schedule link on the NSCC homepage (www.northweststate.edu). Select the semester and scroll down to the course number. Withdrawing from a course can affect your financial aid eligibility. The student accepts full responsibility and consequences for withdrawing from classes.

Textbook(s)/Supplies:
Textbooks(s): include the title, author, edition, publisher, and other required materials for the course.

Learning Outcomes:
Use the Learning Outcomes listed on the Course Overview. Course learning outcomes should not be changed without agreement among the full-time staff who teach the course. All revisions need to be submitted through Academic Affairs.

Required Information Early Admit Students:
The Ohio Attorney General has indicated that these statements should be included –
• We do not provide extraordinary protection for the student who is a minor.
• We do not filter or monitor the computers on our campus.
• Class subject matter may contain provocative content.
• FERPA rights belong to the student.

Title IX Responsibilities:
NSCC faculty are committed to supporting our students and providing an environment that is free of bias, discrimination, and harassment. If you have been the victim of sexual harassment/misconduct/assault we encourage you to report this. If you report this to a faculty member, she or he must notify NSCC’s Title IX coordinator. The Title IX coordinator will assist the student in connecting with all possible resources both on and off campus.

Part II – Required Information for Your Class

Evaluation: Grading and Policies:
Include grading and evaluation procedures and the policy on class attendance. Show the method you will use to calculate the final grade. Include information on the treatment of absences, late assignments, make-up tests, and any optional or extra credit work. If the class has a lab component, be sure to include
evaluation procedures in the syllabus. This is also a topic which should be presented to students at the first class session (since they will probably ask anyway).

**Instructional Methods:**

- Materials to be presented and methods - e.g. lectures, readings, and additional resources.
- Specific activities required - e.g. reports, papers, presentations, group work, field experiences, observations, labs, etc.

**General Classroom Procedures:**

Include your individual course policies on such topics as attendance, lateness, class participation, missed exams or assignments. Be as specific as possible since this syllabus is essentially a contract between you and the student. Include the statements such as: “No video or audio recording in class without the instructor’s permission” and “Cell phones should be turned off and put away during class”.

**Academic Honesty**

Plagiarism of any type will not be tolerated. Be sure to include any special penalties for your class. At a minimum, plagiarism must be dealt with according to the College Catalog (also available at the Northwest State website, [www.northweststate.edu](http://www.northweststate.edu)).

**Student Responsibility:**

- Clarify expectations for work missed in class and how you expect the student to stay on target.
- Include your policy about make-up work. It is wise to set a very short time span, but be specific and clear.
- You should have statement about changes in this syllabus. Be clear the students are responsible to be in attendance for any changes announced. You could use a statement like, “The instructor reserves the right to amend or adjust this syllabus if necessary. If changes are required, they will be announced in class. It is the responsibility of the student to be in attendance to record changes.”
- Syllabi should contain the following statement, or one similar: Any student who feels he/she may need an accommodation based on the impact of a disability should contact me privately to discuss specific needs. Also, please contact the Accessibility Services Office in office A105B or via phone at 419-267-1265 to coordinate reasonable accommodations arising from documented disabilities.

Include other statements about student responsibilities such as:

- Students are responsible for material assigned on this syllabus as well as for additional information announced in class. The instructor will not rely totally on material from the books, so the student is responsible for any additional material covered in class lectures.
- If you miss more than three sessions, you may have serious trouble in attaining the necessary knowledge to pass this course.
- Students are expected to complete all assignments on time. Program assignments will be penalized ___% per day they are late. Maximum late penalty will be ___%.
- There will be no eating, or drinking in the classroom or lab.
- The student will be expected to conduct him/herself in an orderly and safe manner in the classroom and lab.
- Posting certain information on social networking sites is illegal and violation of existing statues and administrative regulations may expose the offender to criminal and civil liability. In addition posting of certain material may violate the college’s Code of Student Conduct.

**Schedule of Activities and Assignments:**

List a specific schedule of assignments, labs, papers, tests, etc. Including the topic of work to be covered is helpful for students.

**Sample Format:**

<table>
<thead>
<tr>
<th>Week or Class Session</th>
<th>Topic</th>
<th>Assignments and other learning activities</th>
</tr>
</thead>
</table>

**Other considerations in course design:**
• Vary the types of assignments so that students with different learning styles can be accommodated.
• Vary the types of evaluations used including different kinds of tests, written, oral, in-class, take-home, computer-based, short-answer, essay, etc.
• Incorporate systematic feedback to students about their performance in the class.
• Balance assignments from class to class. Try not to load too much work into the same time span.
• Review course design for logical flow of content.
• Define terms that may be new to students and are necessary to the understanding of the syllabus.
• Check the spelling carefully.
• Leave enough white space on the pages of the syllabus for students to add notes.
