Session 1: Discovering STEM
Grades 5-6 • July 13-16
Based on grade completed spring 2015

Have you ever wondered why things work the way they do? How scientists figure out the right formula? Can math really be applied to real life? Campers will discover how to harness solar energy, find DNA clues used to solve a murder, what makes a rocket fly and how to determine where it will land. This week will be filled with hands-on activities that will help you see how things really work!

Session 2: Exploring STEM
Grades 7-8 • July 20-23
Based on grade completed spring 2015

Experience science, don’t just read about it. Use fungus to solve a mystery, make chemical reactions happen, create a prototype using a 3-D printer and much more. Campers will utilize math, science and engineering skills to create their own experiments and see how these skills play a role in the world around them everyday.
Session 1: July 13-16 • 9am-3pm
Session 2: July 20-23 • 9am-3pm
Included: All class materials and a free T-shirt.
Cost: $60 per session

Cost: $60 per session. Includes free T-shirt and class materials.
Space is limited and will be filled on a first come basis. (Campers should bring a sack lunch each day, drinks will be provided).

Name of Camper ____________________________
Parent/Guardian Name ____________________________
Address, City, State, Zip ____________________________
Home Phone, Cell Phone ____________________________
Emergency Contact ____________________________
Email Address ____________________________
School Attending ____________________________
Grade Completed as of June, 2015 ____________________________
Gender ___ Male ___ Female
Camp Registering for:
Session 1 ___ Discovering STEM (July 13-16 • grades 5-6)
Session 2 ___ Exploring STEM (July 20-23 • grades 7-8)
T-Shirt Size (adult sizes) ___ small ___ medium ___ large ___ X-large
Payment Method:
Check or money order (Payable to Northwest State Community College), Mastercard, Visa, Discover
Card # ____________________________ Amount $ ____________________________
Expires ____________________________ Security Code # ____________________________

Mail Registration to:
NSCC Summer STEM, 22600 State Route 34, Archbold, OH 43502

Liability Release - Recognizing the educational benefits of this program and acknowledging that it is voluntary, I agree to assume responsibility for my child’s safety and welfare while participating in the classes and hereby release Northwest State Community College and its agents from any liability for injury or damage arising out of the classes.
Parent/Guardian Signature ____________________________
