

## Associate of Applied Business in Business Management

Graduates of this program acquire skills to create innovative ventures, recognize opportunities, evaluate alternative courses of action and formulate plans to successfully achieve organizational objectives. Entrepreneurial skills can be utilized within existing organizations and government agencies to effect changes necessary to the success and survival of the organization.

Students are prepared with assessment skills in financial and legal analysis. The creation of the business plan forms the foundation for the entrepreneur and is a major focus of the entrepreneurship program.

## Career Outlook

Entrepreneurship plays a vital role in the growth of the U.S. economy. Employment both nationally and in the state of Ohio is expected to grow. From 2010 to 2020, the top areas of job creation will be administrative service and operations managers (15% growth rate) and computer systems and related services (18% growth rate), indicating areas of opportunities for individuals with a drive, vision and skills to provide new and creative services.
