Alcoholic beverages may only be served within rooms authorized for such purposes. The sale and/or serving of alcoholic beverages shall be limited to the specific date and timeframe established in the event's application.

The client will be responsible for the purchase and delivery of the alcohol to the event.

If alcohol is being sold and served and a liquor permit is required during the event it is the responsibility of the client to acquire the permit from the Department of Liquor Control. The rate, as of January 1, 2007, for a permit is as follows:

Beer only (F1 Permit) = \$40/event.

Beer and spirits (F2 Permit) = \$150/event

The permit holder must be "non-profit".

The permit must be filed with the college 14 days before the date of the event.

The servers shall not sell or serve alcoholic beverages in violation of any law, statutes, ordinance or regulation and shall not sell or serve alcoholic beverages to individuals under the age of twenty-one (21) years of age or to any individual who appears to be noticeably intoxicated or whom the server has reason to believe is intoxicated. Individuals unable to produce a valid identification indicating their date of birth shall not be served or sold alcoholic beverages. The server shall refuse alcohol service before or during an event if individuals attending appear to be noticeably intoxicated.
