LPN to RN Advanced Standing *Associate of Applied Science in Nursing*

This three semester program is designed to prepare the Licensed Practical Nurse for licensure as a Registered Nurse. The program incorporates face to face and online coursework, labs, and clinical to prepare the student to function as a member of the health care team. Students must meet all admission criteria prior to being admitted to the nursing program. Policies regulating the nursing program are available in the Student Nurse Handbook.

Van Wert Campus

The LPN to RN Advanced Standing Program is also offered in Van Wert, Ohio. Necessary remedial and all general education courses are offered at the Van Wert site either by NSCC at 1119 Westwood Drive, Van Wert High School or Wright State University at Vantage Career Center. All nursing courses are through NSCC. Contact the nursing division for specific details.
