Christmas For Kids
On November 12th, SBO and SCOA were pleased to have hosted Rick Small in which he broadcasted Mix 98.1 live on campus from 11am-1pm for Christmas for Kids. With this program in which Small travels from location to location to collect donations, for children who may not have any presents for Christmas, SBO and SCOA was able to raise $1,300. All due to the combination of NSCCEA, Jean Days, as well as Collection Cans from games, photos, and contests donations, Penny wars, and the Bowling Party hosted by River. Since 2011, NSCC has raised over $7,000 for key contributors to the amount raised for Christmas for Kids. SBO and SCOA would like to thank everyone involved with Christmas for Kids and the continued support those have given to help serve children in our area who are in need.

Path Center Christmas Party
On December 18th, SCOA and SBO volunteered at the PATH Center Christmas Party. This event was for the kids who have stayed in the PATH Center this past year. There were also activities for the kids that included: making ornaments, crafting a gingerbread man or house, and karaoke singing. The highlight of the night was Santa coming and giving presents to the kids.
