ABOUT NSCC

Originally founded in 1968 as Four County Technical Institute, NSCC began offering classes in 1969. The College moved to its current location and was renamed Northwest Technical College in 1972, and in 1994 we became a community college. As we proudly celebrate over 50 years of service to our six-county area, NSCC is as focused as ever to train and educate our students to improve families and communities through family-sustaining wages. The College is also guided by a strong Strategic Plan to ensure sustained excellence for generations to come.

NSCC offers:

- Associate Degrees
- Certificate Programs
- Transferable credits toward Bachelor's Degrees
- Workforce Development training
- College Credit Plus (CCP), earning college and high school credits together

NSCC is accredited by The Higher Learning Commission and is a member of the North Central Association of Colleges and Schools.

NSCC MISSION, VISION, & VALUES:

Mission: To serve by providing access to excellent and affordable education, training, and services that will improve the lives of individuals and strengthen communities.

Vision: Northwest State Community College will be a leader in education that empowers individuals and communities.

Values:

People: We believe in the power of teamwork, bringing people of diverse backgrounds and communities together to excel.

Integrity: We believe that honesty, respect, and accountability are the basis of building trust.

Learning: We believe that the acquisition and application of knowledge is the key to success, and to that end, we provide access to greater opportunities through education, training, and services.
