At the present time, the following programs are slated to be offered for all student groups, including traditional college students, students looking for transfer credit, workforce development, and even college credit plus.

- 2-year Associate degrees
 - Accounting
 - Banking & Finance
 - Business Management
 - Entrepreneurship
 - Marketing
 - Computer Programming
 - Cyber Security Network Administration
 - Electrical Engineering
 - Industrial Technologies
- Short-term certificates
 - Accounting Assistant
 - Entrepreneurship
 - Marketing
 - Computer Technician
 - Cyber Security
 - Industrial Electrical
 - Medical Coding and Billing (online only)

Northwest State's mission statement is "To serve by providing access to excellent and affordable education, training, and services that will improve the lives of individuals and strengthen communities". We believe the Van Wert Campus helps us further that mission, and in turn, would like to invite you to tour the facility on Tuesday mornings from 10-11am, Thursday afternoons from 1-2pm, or by appointment for groups.

Questions can be directed via email to vanwert@northweststate.edu or by calling 419-267-1399.

###

Northwest State Community College is an accredited two-year, state-assisted institution of higher education that has served northwest Ohio since 1969. Northwest State is committed to providing a quality, affordable education with personal attention and small class sizes. The College offers associate degrees with numerous transfer options, short-term certificate programs, and workforce training programs designed to meet the needs of local businesses and industries.
