TWO NORTHWEST STATE STUDENTS NAMED TO '25-'26 ALL-OHIO ACADEMIC TEAM

ARCHBOLD, OHIO – Two Northwest State Community College students have been named to the 2025-2026 All-Ohio Academic Team. Brady Clark (Defiance) and Seth Hathaway (Deshler) were named to the All-Ohio Academic Third Team, placing them among the top thirty community college students in the state. The students were honored at a recognition luncheon on April 23rd at the Ohio Statehouse in Columbus.

“We are proud of the accomplishments of Brady and Seth,” said Dr. Lana Snider, Vice President for Academics at Northwest State. “They have set tremendous examples in the classroom and in their community.” Snider also praised NSCC faculty and staff for their ongoing contributions to student success.

ABOUT THE STUDENTS

Clark is a member of Phi Theta Kappa and will graduate in the Summer of 2026 with an Associate of Applied Business in Logistics and Supply Chain Management. He plans to transfer to The University of Toledo to pursue a Bachelors of Business Administration in Operations and Supply Chain Management. Clark is currently employed with APA Solar as a Logistics Coordinator.

Hathaway is a member of Phi Theta Kappa and will graduate in the Fall of 2026 with a Programmable Logic Controller Certificate. He plans to transfer to Miami University to complete a Bachelor of Science in Electro-Mechanical Engineering Technology.

Per the Ohio Association of Community Colleges (OACC), the All-Ohio Academic Team program is a collaboration among the OACC, the Phi Theta Kappa honor society, and event sponsors Honda, KeyBank, and Franklin University.

###

Northwest State Community College is an accredited two-year, state-assisted institution of higher education that has served northwest Ohio since 1969. Northwest State is committed to providing a quality, affordable education with personal attention and small class sizes. The College offers associate degrees with numerous transfer options, short-term certificate programs, and workforce training programs designed to meet the needs of local businesses and industries.
