

CCP ADVISING & ORIENTATION WORKSHOP

1

GET STARTED

Go to www.northweststate.edu and click on **Sakai** in the upper right corner on the homepage. Login using your N# and created password.

2

ACCESS THE ORIENTATION

Click on the checkerboard sites icon in the upper right corner and select the **CCP Advising & Orientation Workshop** option under **projects**. This will take you to the overview screen. Please read. Then, in the menu on the left side of the screen, click on **course content** and **review presentation**.

3

TEST YOUR KNOWLEDGE

After finishing the presentation, use the links in **course content** to complete the **CCP Student Questionnaire** that reviews the potential for mature content in courses. This must be complete before you can complete the **CCP Workshop Quiz**.

To pass the workshop, you must receive a **70%** or better on the quiz. **Be sure to review the entire workshop prior to taking the quiz.** If you do not pass the quiz in two attempts, please contact your advisor. This workshop must be completed **before** you can register for classes in the CCP program.
