A consortium agreement enables you to receive financial aid while concurrently enrolled for courses at Northwest State Community College (home institution) and another institution (host institution). This allows your eligibility for financial assistance to be based on the total credits attempted at both institutions for the semester or term. A new consortium agreement must be completed each semester.

**Application Procedures:**

- Completed and processed Free Application for Federal Student Aid (FAFSA) on file at Northwest State Community College (NSCC).
- Admitted to NSCC as a degree seeking student.
- Meet with your academic advisor or Dean to verify classes from Host Institution will be accepted and satisfy degree requirements at NSCC. Course being funded by Financial Aid must be required by your program of study. Have your departmental Dean sign Parts II of this agreement, this signature indicates that the classes will transfer to NSCC.
- Complete and sign the Student Information and Certification sections.
- Deliver this form to the Host Institution Financial Aid Office and Registrar’s Office for completion and signatures.
- Return this form to the NSCC Financial Aid Office when completed.

**Consortium Agreement Restrictions:**

Both NSCC and the host institution reserve the right not to participate in a consortium agreement for any reason.

**Disbursement of Financial Aid:**

Financial aid can be disbursed only after evaluation of credits is accurately determined. **It is your responsibility to arrange for payment at the host institution, including tuition, fees, and books, until funds can be disbursed to you.** You must follow regular payment procedures at both institutions to ensure that your fees and bills are paid by the required deadline dates.

**Deadline:**

- Agreements must be received by the Financial Aid Office a **week prior to classes starting** at NSCC for the semester of the appropriate term.
- Allow time for the consortium agreement to be processed. It could take up to 2 weeks for the consortium to be completed by the Financial Aid Office at NSCC.

**Student Requirements:**

- You must be concurrently enrolled at NSCC (at least one class) and the Host institution to be eligible for financial assistance.
- You must notify the Financial Aid Office at NSCC of any changes in your enrollment status at the host institution immediately. In the event of non-attendance or withdrawal from any or all classes, you will be responsible for repayment of financial aid received according to applicable federal and institutional regulations.
- All Consortium credit hours submitted for consideration must be accepted and satisfy degree requirements at NSCC. Meet with the academic dean from your program of study for assistance.
- Credits earned at the host institution must be transferred to NSCC within 14 days after the end of the semester. You must send an official transcript to the Registrar’s Office at NSCC. Financial Aid for subsequent periods of enrollment will not be released until transfer of credits can be verified.

**Satisfactory Progress:**

Credits taken at both institutions will be used to determine your Financial Aid Satisfactory Academic Progress (SAP) as an aid recipient at NSCC. Please review the SAP policy available on our website at www.northweststate.edu. Zero credits earned at either institution will result in immediate suspension.

**Please make a copy of this consortium agreement for your records.**

What is a consortium?
A consortium agreement is a contract between the student, Northwest State Community College, and the Host Institution. The agreement permits the Northwest State Financial Aid Office to process financial aid based on the combined enrollment hours at both colleges for a specified term within an academic year.

Before you get started…
- You must be enrolled in at least one course at Northwest State in order to receive financial aid for dual enrollment at Northwest State and another college.
- If you have financial aid awarded to you by another college, you need to request a cancellation of your award offer and any pending disbursements so that Northwest State may award your financial aid. You are not permitted to obtain federal financial aid from both institutions during the same term.
- By completing the Host Institution section of this agreement, the Host Institutions agrees NOT to process any federal aid for you as a guest student. If this agreement is violated, your federal financial aid awards may be revoked by one or both institutions. It is your responsibility to ensure that you are only receiving federal aid from Northwest State.
- You may be required to pay the Host Institution prior to financial aid being refunded to you at Northwest State. If you do not pay for the class(es) listed on the agreement and you are cancelled out of your class due to non-payment, the consortium agreement is voided. If you wish to still receive aid via dual-enrollment, you must re-register and submit a new consortium agreement form. Textbook vouchers are not issued by Northwest State. If a student has excess financial aid available on their account, they may use the funds to purchase their NSCC books in our campus bookstore. Books and supplies required at the Host Institution will need to be paid out-of-pocket by the student.
- If all sections are not submitted with appropriate certification and signatures, your consortium agreement will be incomplete, which will delay the processing of your federal aid award. If your consortium agreement form is received after the deadline for the semester, your financial aid may be delayed.

Quick Start:
1. READ THE ENTIRE POLICY – You will need to sign and return this policy back to the financial aid office before any consortium agreement can be processed. You can scan and email the policy to finaid@northweststate.edu or fax it to: 419-267-5587.
2. Complete the Student Section of Consortium Agreement. The form can be found online at www.northweststate.edu or within the Financial Aid Office located on campus room C110. Make sure your other college completes all sections of the Host Institution section. Do not forgot to attach copies of your academic schedule to the agreement.
3. Return the signed policy and completed consortium agreement form (as well as your academic schedule) to the NSCC financial aid office. You can scan and email the policy to finaid@northweststate.edu or fax it to: 419-267-5587.

If you have any questions regarding this policy or submitting the consortium agreement form, please email your question(s) to finaid@northweststate.edu.
Post-Completion Requirements:

- At the end of the term, you must provide the NSCC Registrar’s Office with a copy of your official academic transcript from the Host Institution.
- The official transcript must be postmarked within 14 days after the term ends or your aid could be reduced to reflect only Northwest State enrollment and a hold will be placed on your record which could cause delays in enrollment in future courses.
- Failure to submit transcripts could cause a balance due back to NSCC which would prevent registration, as well as deny access to grades for completed classes until full payment is remitted.

**Important Notice to Students**

By signing this consortium agreement policy, you are responsible for the following conditions:

- You must notify both institutions if you drop or withdraw from any or all of your courses. Your financial aid award is based on your enrollment at both institutions, if you adjust your enrollment from the original course schedule provided and approved by your academic advisor, your financial aid may be adjusted which could cause you to have a balance due at one or both institutions.

- The Business Office at Northwest State will not remit payment to the Host Institution. You must pay your balance at the other institution out of pocket. You may be able to reimburse yourself once the excess aid is refunded to you. In addition, you will need to pay out of pocket for your textbooks and supplies at the other institution.

- If you received student loans previously, you may need to request an in-school deferment from your loan servicer as you begin your degree at NSCC. To keep current loans deferred, you must enroll in a minimum of six or more credit hours at NSCC, or via dual enrolled hours at NSCC and another eligible institution.

- In-School Deferment Request Forms are processed by the Registrar’s Office. If you are dual enrolled via the consortium agreement, you will need to send an email to the Registrar’s Office at registrar@northweststate.edu to request the confirmation of your dual enrollment.

I have read, understood, and agree to all terms and conditions in this policy for the current aid year. I understand that if I do not comply with these terms and conditions that aid disbursed to me due to consortium agreement processing could be revoked and a balance would be due back to Northwest State.
