BRIEF HISTORY

1968

The College was founded as Four County Technical Institute.

1969

First classes were offered at the college.

1972

The College moved to its current location and was renamed Northwest Technical College.

1989

The College nearly doubled in size with the completion of the Atrium and the B and C wings.

1994

Northwest State became a community college. This enabled the College to offer associate of arts and associate of science programs.

1997

The Engineering Technology and Science Center was opened.

2002

The Technology Training Center was opened and Custom Training Solutions was developed.

2004

A satellite location was opened in Van Wert, Ohio.

2007

A new lab was built to support the medical assisting program.

2008

Custom Training Solutions expanded to include a location at The University of Toledo Scott Park Campus.

2011

The College opened a new Allied Health & Public Services Building.

2014

A new Advanced Manufacturing Training Center was created on the main campus to meet workforce development needs.

2016

A new Advanced Manufacturing Training Center was opened at the University of Toledo Scott Park Campus.

RECENT HIGHLIGHTS

NSCC students April Reynolds and Angela Rutledge were named to the 2015 All-Ohio Academic team, placing them among the top thirty community college students in the state.

The NSCC Foundation awarded **\$350,000** in student scholarships.

NSCC's nursing program was named in the **TOP 4%** in the **NATION**

The annual Making a Difference Awards were presented to Norman D. Zeiter (posthumously), Cooper Farms, and CPC Women's Health Resource.

The law enforcement academy boasts a six-year average of 98.5% passing rate on the Ohio Peace Officer Training Exam.

The Business Technologies Division earned a ten-year re-accreditation from the Accreditation Council for Business Schools & Programs.

Devin Dye was named "Outstanding Electro-Mechanical Engineering Student" for Miami University. Through the NSCC/ Miami University partnership, Devin completed all coursework without ever attending a class outside of NSCC's campus.

The new Advanced Manufacturing Center received over **\$647,000** in new state-of-the-art equipment, with a state grant matched by private donations.

Construction began in the "C" building, which will be renovated for student services offices. The café will be updated and the fitness center will be relocated to the E building. Construction will be completed in December 2016.

TRANSFER OPPORTUNITIES

NSCC is proud to offer *transferable classes and degrees*. To assist students, the College opened the University Center where students can meet **one-on-one with representatives from local colleges and universities**. Members of the University Center include:

NSCC has implemented a Transfer Assurance Guides (TAG) initiative. Courses that are TAG approved are guaranteed to transfer to any public college or university and apply directly to a student's major. A TAG helps students who have chosen a major enroll in courses that will provide comparable, compatible and equivalent learning experiences across the state's higher education system.

Faculty teams have developed TAG pathways in the **arts, humanities, business, communication, education, health, mathematics, science, engineering technologies and social sciences**.

TAG

WORKFORCE DEVELOPMENT

Custom Training Solutions is a division of NSCC that provides contract training, industrial programs, apprenticeship and manufacturing extension partnership services. We serve private and public sector organizations in northwest Ohio and beyond. For more information, visit TrainwithCTS.com.

NSCC staff coordinates services on behalf of the **Northwest Ohio Manufacturing Extension Partnership**, providing business and technical support to mid-size and small regional manufacturers.

The **Ohio Lean Consortium** provides professional development and networking opportunities, Lean benchmarking tours, and Lean Idea Knowledge Exchange (LIKE) sessions. Lean Six Sigma Yellow and Green Belt trainings and certifications are also offered.

The **Black Swamp Safety Council** is an Ohio Bureau of Workers' Compensation program facilitated by NSCC. The Council provides monthly meetings with health and safety-related educational events, premium discounts on workers compensation insurance, discounts on additional safety training, networking opportunities, and safety best practices.

NSCC FOUNDATION

The mission of the NSCC Foundation is to enhance, expand and sustain Northwest State so that it can continue to fulfill its mission of creating opportunities for transformational learning.

The Foundation's endowment earnings and donor contributions have impacted the College's ability to provide exemplary programs and have helped numerous students with scholarships to make their educational goals a reality.

NSCC ALUMNI ASSOCIATION

The mission of the NSCC Alumni Association is to engage alumni interest while promoting loyalty and strengthening relationships with students, community and alumni.

The association provides our graduates the opportunity to stay involved in the campus community while connecting with a growing network of fellow alumni.
