

NORTHWEST STATE COMMUNITY COLLEGE

DEPARTMENT OF NURSING

NURSING APPLICATION DIRECTIONS:

- It is the student's responsibility to make sure transcripts have been received in the nursing office.
- Nursing applications will be reviewed each Fall and Spring semester.

High School Seniors

- High School Seniors must submit an application by April 1.
- It is the student's responsibility to complete Accuplacer test or ACT and submit transcripts with senior courses to the Nursing Office prior to review.

•

Transfer Students

- Transfer students with at least a 2.5 GPA and interested in A.D.N. program or at least a 2.25 GPA and interested in the P.N. program may submit an application.
- Transfer students must be in good standing in their current program prior to admission consideration.
- It is the student's responsibility to complete Accuplacer test for Math and English (if no prior college courses) or submit ACT scores and all transcripts (official transcripts are required for transfer consideration) prior to review.
- If transferring in Nursing courses from another college submit copy of syllabi to Dean of Nursing.

L.P.N.->R.N. Transition Students

- Transition students should complete an application when they have a current L.P.N. license in the State of Ohio and a graduate GPA of 2.5 in P.N. program or in current coursework at NSCC.
- It is the student's responsibility to complete Accuplacer test for Math and English (if no prior college courses) or submit ACT scores and all transcripts (official transcripts are required for transfer consideration) prior to review.

All Other Applicants

- Applicants should complete an application when a minimum of one semester at NSCC has been completed with at least a 2.5 GPA for A.D.N. program applicant or 2.25 GPA for P.N. program applicant.
- It is the student's responsibility to complete Accuplacer test or submit ACT scores and submit all transcripts prior to review.

**** If student's GPA falls below required GPA (≥ 2.5 for A.D.N or ≥ 2.25 for P.N.), the application will be automatically inactivated and student may reapply when GPA is again at required level.**

Nursing Acceptance Deposit Fee payable upon acceptance to the nursing program.

- *Payment of \$100.00 is required to reserve seat in the clinical course and is due by the date identified on the admission letter. The fee will be applied toward the semester the student begins the clinical sequence.*
- *The fee will be refunded if the student notifies the nursing office prior to **July 1 for Fall semester** clinical start and **November 15 for Spring semester** clinical start. No refunds will be issued after the above dates for the respective semester.*
- *Students will be allowed to defer their start date one time. If they defer a second time, the student will need to reapply to the program and resubmit the acceptance fee.*
