### To be eligible:

Once enrolled as a reciprocity student, the student must demonstrate satisfactory academic performance. The student will continue to receive reciprocity benefits under the agreement through graduation or as long as the reciprocity agreement exists. Student participation is subject to the terms and conditions of the institutional reciprocity agreement in effect at the time of the initial enrollment. In the event of the termination of that agreement, each participating student will be informed of his or her status. If the agreement is terminated, Northwest State Community College will notify the student.

- To be eligible, a student must apply and be accepted to Northwest State Community College (NSCC). Upon admission, the student will be identified as a NSCC student.
- A student who is a resident of the Indiana counties identified above who desire to receive Ohio resident tuition rates under the tuition reciprocity agreement must apply by completing this form and submitting it to: Registrar Office, Northwest State Community College, 22600 State Route 34, Archbold, OH 43502, prior to enrolling for classes, and prior to semester payment deadlines.
- If this form is not completed prior to registration, participation in the Tuition Reciprocity Agreement will not be permitted for that semester.
- The amount of financial aid a student is eligible to receive may be reduced as a result of electing to participate in the reciprocity program due to the change from non-resident to Ohio resident status.
- If approved, the student's in-state residency status will continue to be in effect until they no longer reside in an eligible Indiana county or the reciprocity program no longer exists. The college reserves the right to request proof of residency status at any time during participation in the program.

I have read and fully understand the terms and conditions specified above. As a bonafide Indiana resident of one of the eligible Indiana counties, I certify that the information I have provided is complete and accurate to the best of my knowledge. I understand that any misrepresentation of facts on this form may be cause for refusal or revocation of the tuition reciprocity agreement, and I may be required to repay any tuition discounts that were earned in error.
