# Multi-Factor Authentication Instructions

To further enhance the protection of learner information, **Multi-Factor Authentication (MFA)** will become mandatory for all learner accounts on **September 23rd, 2024.**

MFA adds an extra layer of security to your login process. This could be your smartphone, a security key, or another approved method.

**We strongly encourage you to enable MFA on your MyNSCC.**
You can easily set up MFA by following these steps:

1. Visit myprofile.microsoft.com or use the QR code to the right.

2. Log in using your MyNSCC username and password.

3. Click Security Info.

4. Click Add sign-in method and follow the onscreen prompts.

   Detailed instructions and helpful resources for setting up MFA on your account can be found in our Knowledge Base article:
   https://halo.northweststate.edu/kb?id=187

If you have any questions or encounter any difficulties while setting up MFA, contact the IT Service Desk at 419-267-1461 or submit a ticket at Halo.northweststate.edu.
