Scholarship Profile

Van Poppel Family Scholarship

Jim Van Poppel was raised in northwest Ohio. After he obtained his diesel mechanical training out of state, he met his wife Cookie and settled back in northwest Ohio where they raised four children. They have been part of the community for over sixty years during which Jim started and sold local successful companies: J & C Repair and Fulton County Processing. Unfortunately, Jim passed away in March of 2023. Jim and his family created this scholarship because he understood the vital need for adequate training and development for the next generation of employees.
